Exciting News in the World of Procurement!

The Procurement Team is excited to announce that it will be rolling out two new opportunities to interact with the NYU community.

[LIVE i-Buy NYU refresh classes](#) – This is the perfect opportunity to refresh your i-Buy skills! If you have been curious about features within i-Buy or are just looking to gain a better understanding of the procure-to-pay process, this is the perfect event for you. An overview will be given on the full life cycle with a Q&A at the end. These refresh classes are set to begin this coming June, information to be communicated through i-Learn.

[Dial-In/Walk-In Clinic](#) – Do you have a specific question about the Procure-to-Pay process? The Dial-In/Walk-In Clinic was designed just for you! Procurement or Accounts Payable specialists will sit with you to answer any question you might have. No question is too big or too small. These clinics are set to begin in May and will be sent through i-Buy NYU Super users, the tip of the week and a special note to Financial Officers. All are welcome and encouraged to join us at these two new venues. Stay tuned for further details as we move closer to the start date. We look forward to seeing you there!
