De-Enrollment for Fall 2019 Undergraduate Students

Fall 2019 bills were issued to undergraduate students on July 16, 2019 and are due on August 6, 2019. De-enrollment for undergraduate students for the Fall 2019 semester begins on August 15th. The de-enrollment process involves reviewing the accounts of all undergraduate students who have not satisfied (i.e. made payment arrangements or paid in full) their Fall 2019 financial obligation and determining whether there is justification to allow them to remain registered. Less than 1% of the enrolled undergraduate population is de-enrolled each semester. De-enrollment for the Fall 2019 semester occurs 3 times before classes start on September 3rd: 08/15/19, 08/22/19 and 08/29/19 and involves the collaboration of the Bursar's Office, Office of the Registrar, Financial Aid, Residential Life, StudentLink, Global Services, Student Success and the Advising Deans of each school.
