Class Description:
Prerequisites: ECON-UA 1 (Economic Principles) or ECON-UA 5 (Introduction to Economic Analysis)

Aim of the Course: The field of International Economics is traditionally divided into two parts. First, “International Trade,” the microeconomic part, attempts to answer questions arising from trade in goods and services. For example: how does trade arise among nations? Which nations will trade with each other, and which goods and services will they trade? How does trade impact different groups within a country, and how does government policy alter these impacts? Second, “International Finance,” the macroeconomic part, attempts to answer questions arising from global financial markets and their impact on macroeconomic activity. For example, how are currency exchange rates determined? How do changes in exchange rates affect economic aggregates, such as a country’s trade deficit? This course will cover both parts and give a broad picture of economic interdependences among nations.

Desired Outcomes:
On completion of this course, students should:

- Have improved their mastery of economic- and business-related concepts;
- Have performed graphical and quantitative treatment of the theories;
- Have made relevant connections between theory and real-world examples, through references to media material, readings or case studies;
- Find an increased interest to read economic and business-related materials in the media.
Assessment Components

- Attendance and Participation: 10%
- Written Assignments (five Problem Sets): 20%
- Midterm Exam: 30%
- Final Exam: 40%

At the end of each class, there will be a kahoot game with multiple choice questions on the day’s issues, which will be answered via an app to be downloaded from Google Play or Apple Store.

Failure to submit or fulfill any required course component results in failure of the class.

Assessment Expectations:

- **Grade A:** The student makes excellent use of empirical and theoretical material and offers structured arguments in his/her work. The student writes comprehensive essays/exam questions and his/her work shows strong evidence of critical thought and extensive reading.
- **Grade B:** The candidate shows a good understanding of the problem and has demonstrated the ability to formulate and execute a coherent research strategy.
- **Grade C:** The work is acceptable and shows a basic grasp of the research problem. However, the work fails to organize findings coherently and is in need of improvement.
- **Grade D:** The work passes because some relevant points are made. However, there may be a problem of poor definition, lack of critical awareness, poor research.
- **Grade F:** The work shows that the research problem is not understood; there is little or no critical awareness and the research is clearly negligible.

Grading Guidelines

A=94-100
A minus=90-93
B plus =87-89
B=84-86
B minus =80-83
C plus=77-79
C=74-76
C minus =70-73
D+=67-69
Grading Policy:
Please refer to Assessment Expectations and the policy on late submission of work

Academic Accommodations:
Academic accommodations are available for students with documented disabilities. Please contact the Moses Center for Students with Disabilities at 212-998-4980 or see the Moses Center for further information.

Students with disabilities who believe that they may need accommodations in a class are encouraged to contact the Moses Center for Students with Disabilities at (212) 998-4980 as soon as possible to better ensure that such accommodations are implemented in a timely fashion. For more information, see Study Away and Disability.

Attendance Policy:
Study abroad at Global Academic Centers is an academically intensive and immersive experience, in which students from a wide range of backgrounds exchange ideas in discussion-based seminars. Learning in such an environment depends on the active participation of all students. And since classes typically meet once or twice a week, even a single absence can cause a student to miss a significant portion of a course. To ensure the integrity of this academic experience, class attendance at the centers is mandatory, and unexcused absences will be penalized with a two percent deduction from the student’s final course grade. Students are responsible for making up any work missed due to absence. Repeated absences in a course may result in failure.

For courses that meet once a week, one unexcused absence will be penalized by a two percent deduction from the student’s final course grade. For courses that meet two or more times a week, the same penalty will apply to the number of class times over a single week

Excused Absences:
In case of absence, regardless of the reason, the student is responsible for completing missed assignments, getting notes and making up missed work in a timely manner based upon a schedule that is mutually agreed upon between the faculty member and the student. The only excused absences are those approved by the Office of Academic Support; they are as follows:

Absence Due to Illness
• If you are sick, please see a doctor. Contact the Office of Student Life for assistance.
• For absences that last for two or more consecutive days, a doctor’s certificate, “certificato medico” is required. The doctor will indicate in writing the number of days of
bed rest required. Please note these certificates can only be obtained on the day you see the doctor and cannot be written for you afterwards.

- Absences can ONLY be excused if they are reported WITHIN 48 HRS of your return to class via the online NYU Florence Absence Form
- OAS will not accept a student email or telephone call regarding an absence due to illness
- OAS will only notify faculty of absences REPORTED on the ABSENCE FORM
- The Office of Student Life, when assisting you in cases of severe or extended illness, will coordinate with the Office of Academic Support to properly record your absences

**Due to Religious Observance**

- Students observing a religious holiday during regularly scheduled class time are entitled to miss class without any penalty to their grade. This is for the holiday only and does not include the days of travel that may come before and/or after the holiday
- Information regarding absences due to religious observance must be provided at least SEVEN DAYS PRIOR to the date(s) in question using the online NYU Florence Absence Form
- Please note that no excused absences for reasons other than illness can be applied retroactively.

**Due to a class conflict with a program sponsored lecture, event, or activity**

- All students are entitled to miss one class period without any penalty to their grade in order to attend a lecture, event or activity that is sponsored by the academic program
- Information regarding absences due to a class conflict must be provided at least SEVEN DAYS PRIOR to the date(s) in question using the online NYU Florence Absence Form
- Please note that no excused absences for reasons other than illness can be applied retroactively.

Students with questions or needing clarification about this policy are instructed to contact a member of the Office of Academic Support located in Villa Ulivi or to email florence.academicsupport@nyu.edu

**Late Submission of Work**

- All course work must be submitted on time, in class on the date specified on the syllabus.
- To request an extension on a deadline for an assignment, students must speak to the professor one week prior to the due date
- To receive an incomplete for a course at the end of the semester, two weeks before final exams, both the student and the faculty member must meet with the Assistant Director of Academic Affairs to review the request and if granted, they must both sign an Incomplete Contract detailing the terms for completing missing coursework.
Plagiarism Policy
PLAGIARISM WILL NOT BE TOLERATED IN ANY FORM:
The presentation of another person’s words, ideas, judgment, images or data as though they were
your own, whether intentionally or unintentionally, constitutes an act of plagiarism.

In the event of suspected or confirmed cases of plagiarism, the faculty member will consult
first with the Assistant Director for Academic Affairs as definitions and procedures vary
from school to school.

Writing Center:
The Writing Center, located in Villa Ulivi, offers you feedback on any type of writing, at any stage in
planning or drafting. Sign up for a consultation at the Writing Center’s website and submit your
working draft or ideas a day in advance to NYU Florence Writing Center. Drop in for a consultation M-
Th, but remember that appointments are given priority. Be assured that very rough drafts are
welcome. Please note that we do not correct or “fix” your writing; instead we prompt you to think and
work. Our aim is to create stronger writers in the long term, not necessarily perfect papers in the short
term.

Required Text(s):
purchased at Feltrinelli Via Cerretani 30 (near the Duomo). Some chapters will not be covered in class
and students will be held responsible for the related material. Students will be assessed on those
chapters by a take-home-individual quiz administered under newclasses.

Copies of each textbook are available for consultation and short term loans in the Villa Ulivi Library.
Extra copies of some textbooks are also available for semester long loans. For more information
please consult Books and Course Materials.

Supplemental Texts(s):
Not required to purchase, copies available at Library or online

- Gerber (G) International Economics 7th Edition Pearson 2017 offers a good overview to
  international institutions in its Ch.2 and a complementary view to our main textbook.
- The web page for the course on newclasses.nyu.edu where announcements for
  supplementary required readings will be posted.
- We will make extensive use of the material contained in Commanding Heights, originally a
  PBS documentary on the evolution of economic theories about government intervention in the
  economy, the cold war and the aftermath of the Berlin Wall until more recent events
  surrounding globalization and financial crises. We will watch part of it in class. As a reference,
we will use a web site organized by PBS
http://www.pbs.org/wgbh/commandingheights/hi/index.html

Internet Research Guidelines:
The careful use of internet resources is encouraged and a list of recommended websites will be given. Failure to cite internet and other non-traditional media sources in your written work constitutes plagiarism.

Additional Required Equipment:
A pocket calculator (with the same functions as like a Casio FX-220 Plus) is required, to be brought to every class. Smartphones not allowed during exams. Please download app Kahoot! for Apple or Android.
