Course Overview
Prerequisites: none

Comprehension: Students will gain understanding of basic messages in simple oral and written material containing standard phrases (questions, high-frequency commands, and courtesy formulae) and some sentence-length expressions, supported by proper context and presented in a clear and plain language. They will be able to acquire key information in the listening and reading of brief, simple, authentic material (i.e. directions, maps, timetable and advertisements), and have a fair understanding of messages of short standard Italian conversations in a limited number of content areas, presented in a clearly audible (and occasionally slowed) speech. Their understanding will include present events and very simple events in the past, presented clearly and in the context of familiar topics.

Production and interaction: Students will be able to engage in basic conversation relying mainly on ready-made expressions and on short phrases and to respond to open-ended
questions as well as to initiate communication on familiar topics, even without being able to continue the conversation in an autonomous way. Stronger emphasis will be given on communicative situations involving first and second person; writing activities will include simple autobiographical information, brief messages, simple forms and lists, where pertinent vocabulary and structure are provided.

**Linguistic structures:** Subject pronouns, articles, adjectives, prepositions, present and present perfect indicative.

**Course Goals**

On Completion of this Course, students should:

- use only target language to negotiate meaning in class;
- display command of basic communicative functions: greetings, self-description, description of family, friends, objects and places, description of daily routine, expressions of wants and needs, simple plans;
- demonstrate knowledge of basic grammar structures, such as verbs, nouns, adjectives etc., in periodic written tests and exams; gain, specifically, knowledge of Italian verb forms in some tenses of indicative;
- acquire vocabulary on several topics, including but not limited to: personal history, leisure time, city and places, family, school;
- compile short textual assignments involving basic and manageable prose production, mostly in areas of practical need or in elementary narration of a brief chain of events.

Note: Expected Learning Outcomes for each unit are indicated in the detailed weekly syllabus.

Assessment Expectations

Grade A
The Desired Outcomes are fully reached and supported by the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams), which demonstrate that the student has acquired excellent linguistic comprehension, production and interaction for the determined level of competence. The student has furthermore manifested by his/her active and constructive behavior in class and in homework a profound commitment to going beyond the objectives of the course.

Grade B
The Desired Outcomes are reached completely and the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has acquired a good linguistic comprehension, production and interaction for the determined competences. The student has furthermore manifested by his/her active participation in class and in homework a serious commitment to fully reaching the objectives of the course.

Grade C
The Desired Outcomes are reached in a satisfactory way and the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has acquired an acceptable level of linguistic comprehension, production and interaction for the determined competences. The student has furthermore manifested by his/her positive behavior in class and in homework a satisfactory commitment to reaching the objectives of the course.

Grade D
The Desired Outcomes are reached to a degree that is barely sufficient to pass the course; the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has acquired only a partial linguistic comprehension, production and interaction for the determined competences. The student has furthermore manifested by
his/her behavior in class and in homework – only sporadically positive – a scarce commitment to reaching positive results.

**Grade F**  
The Desired Outcomes are not reached in a sufficient way and the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has not acquired the linguistic comprehension, production and interaction at a sufficient level for the determined competences. The student has furthermore failed to manifest by his/her behavior in class and in homework – inconsistent and often unfocused – a commitment to reaching the objectives of the course.

Attendance Policy

Study abroad at Global Academic Centers is an academically intensive and immersive experience, in which students from a wide range of backgrounds exchange ideas in discussion-based seminars. Learning in such an environment depends on the active participation of all students. And since classes typically meet once or twice a week, even a single absence can cause a student to miss a significant portion of a course. To ensure the integrity of this academic experience, class attendance at the centers is mandatory, and unexcused absences will be penalized with a two percent deduction from the student’s final course grade. Students are responsible for making up any work missed due to absence. Repeated absences in a course may result in failure.

For courses that meet once a week, one unexcused absence will be penalized by a two percent deduction from the student’s final course grade. For courses that meet two or more times a week, the same penalty will apply to the number of class times over a single week.

Excused Absences:

In case of absence, regardless of the reason, the student is responsible for completing missed assignments, getting notes and making up missed work in a timely manner based upon a schedule that is mutually agreed upon between the faculty member and the student. The only excused absences are those approved by the Office of Academic Support; they are as follows:

**Absence Due to Illness**

- If you are sick, please see a doctor. Contact the Office of Student Life for assistance.
- For absences that last for two or more consecutive days, a doctor’s certificate, "certificato medico" is required. The doctor will indicate in writing the number of days of bed rest required. Please note these certificates can only be obtained on the day you see the doctor and cannot be written for you afterwards.
- Absences can ONLY be excused if they are reported WITHIN 48 HRS of your return to class via the online NYU Florence Absence Form.
- OAS will not accept a student email or telephone call regarding an absence due to illness.
- OAS will only notify faculty of absences REPORTED on the ABSENCE FORM.
- The Office of Student Life, when assisting you in cases of severe or extended illness, will coordinate with the Office of Academic Support to properly record your absences.

**Due to Religious Observance**

- Students observing a religious holiday during regularly scheduled class time are entitled to miss class without any penalty to their grade. This is for the holiday only and does not include the days of travel that may come before and/or after the holiday.
- Information regarding absences due to religious observance must be provided at least SEVEN DAYS PRIOR to the date(s) in question using the online NYU Florence Absence Form.
• Please note that no excuse absences for reasons other than illness can be applied retroactively.

**Due to a class conflict with a program sponsored lecture, event, or activity**

• All students are entitled to miss one class period without any penalty to their grade in order to attend a lecture, event or activity that is sponsored by the academic program

• Information regarding absences due to a class conflict must be provided at least SEVEN DAYS PRIOR to the date(s) in question using the online NYU Florence Absence Form

• Please note that no excused absences for reasons other than illness can be applied retroactively.

**Students with questions or needing clarification about this policy are instructed to contact a member of the Office of Academic Support located in Villa Ulivi or to email florence.academicsupport@nyu.edu**

**Late Submission of Work**

• All course work must be submitted on time, in class on the date specified on the syllabus.

• To request an extension on a deadline for an assignment, students must speak to the professor one week prior to the due date

• To receive an incomplete for a course at the end of the semester, two weeks before final exams, both the student and the faculty member must meet with the Assistant Director of Academic Affairs to review the request and if granted, they must both sign an Incomplete Contract detailing the terms for completing missing coursework.

**Plagiarism Policy**

PLAGIARISM WILL NOT BE TOLERATED IN ANY FORM:
The presentation of another person’s words, ideas, judgment, images or data as though they were your own, whether intentionally or unintentionally, constitutes an act of plagiarism.

In the event of suspected or confirmed cases of plagiarism, the faculty member will consult first with the Assistant Director for Academic Affairs as definitions and procedures vary from school to school.

**Classroom Etiquette**

• Eating is not permitted in the classrooms. Bottled water is permitted.

• Cell phones should be turned off during class time.

• The use of personal laptops and other electronic handheld devices are prohibited in the classroom unless otherwise specified by the professor.
We recycle! So keep it green! Please dispose of trash in the clearly marked recycle bins located throughout the on campus buildings.

Your Instructor

Giulia Tossani holds a B.A. in languages (English, Russian and Spanish) from the University of Bologna and an M.A. with honors in “Italian Language and Culture for Foreigners” from the same university. She has been teaching Italian as a second language since 2011, and, most recently, taught at NYU’s Florence Program and Stanford’s Florence Program. She also taught Italian at the European Institute for the Dissemination of Italian Language and Culture. Recently she has been speaker in several training workshops for teachers of Italian LS/L2 in Greece and Italy. Tossani also has extensive experience in volunteer and social work: she has taught Italian for over a year to a group of 12 women of different nationalities as part of a project promoted by the EU, and she has also taught Italian to a group of 20 male asylum seekers of different nationalities.

Grazia Giannelli received her degree in Foreign Languages and Literature from the University of Florence, thesis on the Acquisition of Syntax. She has taught Italian language at the Arizona University and at the University of Florence. Since 2005, she has been teaching courses in Italian language at NYU Florence and from 2008 to 2012 she also taught “Service Learning: Community Service in Florence” in the graduate and undergraduate programs.

Important Italian Class Rules

- Please remember that you are in Florence to learn the Italian language and culture, so Italian will be spoken in class at all times.
- Coming prepared to class having done the assignments, making an effort to constantly speak Italian, asking questions, participating in all activities with a positive attitude, are all criteria in assessing your own class participation. For our detailed policy, please check the enclosed Grading Class Participation.
- Relying on used textbooks with marked answers is considered a matter of academic honesty and will be regarded by your instructor as cheating, negatively affecting your grade.
- All Quizzes and Exams will be taken as scheduled. Examinations may be anticipated or made up only with the permission of the Office of Academic Support, Villa Ulivi.
- Personal travel arrangements will never constitute a satisfactory excuse for requesting an early or make-up exam.
