Course Overview

Prerequisites: ITAL-UA9011 Extensive Intermediate Italian I

Comprehension: Students will gain understanding of oral and written material on various topics, ranging from general routine and leisure time activities, to more complex topics such as politics, environmental issues, and work environment. Students will be able to read and appreciate pertinent authentic texts with a clear structure, and will also be able to some extent to infer and extract from the material information which at first is only implicit. The understanding of material focusing on the expression of personal thoughts and feelings will progress to include increasingly sophisticated nuances.

Production and interaction: Students will be able to handle most uncomplicated conversation tasks and standard social situations. Students will be able to, debate and argue for opposite viewpoints on a range of topics and make comparisons and hypotheses. Presentation skills will solidify; skills in narrating in paragraphs will emerge and develop in a creative direction. Students will be able to write letters and short stories and demonstrate limited command of sentence syntax.

Linguistic structures: Students will gain knowledge of increasingly complex verbal forms such as all tenses of the subjunctive mode, past conditional and preterit, as well as several elaborate grammatical structures.

Desired Outcomes

On completion of this Course, students should:

- use only target language to negotiate meaning in class;
- demonstrate the ability to understand and tell short stories framing them in the correct timeline;
- demonstrate ability to handle various communicative functions, expressing and comparing thoughts and experiences on topics such as cross-culture, music, lifestyle, advertising and visual style and interacting with native speakers about them;
- express opinions, necessities and wants, as well as formulate complex hypotheses;
- demonstrate knowledge of grammatical structures (particularly the verbal system) in periodic written tests and exams;
- design an oral presentation and perform it in class to demonstrate achievements in mono-directional communication;
- compile textual assignments involving prose production, such as short stories, synopses, paraphrases, summaries and essays on a given topic.

Note: Expected Learning Outcomes for each unit are indicated in the detailed weekly syllabus

Failure to submit or fulfill any required course component results in failure of the class.

**NB: Commitment:** A student’s commitment will be evaluated based on active participation, involvement and contribution in the course either remote or in-person. This may include, but is not limited to, presence at synchronous class sessions, timely submission of predetermined course assignments to the instructor, collaboration with peers in group course work both during class time or independently outside of class time, individual oral or written contributions to synchronous course time through the chat function, in person discussion, or in individual office hours with the instructor. In an asynchronous format this academic engagement may take the form of written contributions to course forums, adding comments to posted work on VoiceThread or Google Drive shared docs.
The grade for Academic Commitment is in part based on the student’s contributions (in the form of link shares, comments, blog posts etc.) on our new Italian Language Community Website.
Your instructor will let you know ways you can share and participate in this new virtual space and hope it will be a natural extension of your studies. We will ask students to complete a simple self-assessment about these online contributions at the end of the semester.

Assessment Expectations

Grade A
The Desired Outcomes are fully reached and supported by the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams), which demonstrate that the student has acquired excellent linguistic comprehension, production and interaction for the determined level of competence. The student has furthermore manifested by his/her active and constructive behavior in class and in homework a profound commitment to going beyond the objectives of the course.

Grade B
The Desired Outcomes are reached completely and the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has acquired a good linguistic comprehension, production and interaction for the determined competences. The student has furthermore manifested by his/her active participation in class and in homework a serious commitment to fully reaching the objectives of the course.

Grade C
The Desired Outcomes are reached in a satisfactory way and the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has acquired an acceptable level of linguistic comprehension, production and interaction for the determined competences. The student has furthermore manifested by his/her positive behavior in class and in homework a satisfactory commitment to reaching the objectives of the course.

Grade D
The Desired Outcomes are reached to a degree that is barely sufficient to pass the course; the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has acquired only a partial linguistic comprehension, production and interaction for the determined competences. The student has furthermore manifested by his/her behavior in class and in homework – only sporadically positive – a scarce commitment to reaching positive results.

Grade F
The Desired Outcomes are not reached in a sufficient way and the results of the various tests (Quiz, Task, Presentation, Portfolio, Written and/or Oral Exams) demonstrate that the student has not acquired the linguistic comprehension, production and interaction at a sufficient level for
the determined competences. The student has furthermore failed to manifest by his/her behavior in class and in homework – inconsistent and often unfocused – a commitment to reaching the objectives of the course.

**Grading Guidelines**

A=94-100  
A minus = 90-93  
B plus = 87-89

**Academic Accommodations**

Academic accommodations are available for students with documented disabilities. Please contact the Moses Center for Students with Disabilities at 212-998-4980 or see the Moses Center for further information.

Students with disabilities who believe that they may need accommodations in a class are encouraged to contact the Moses Center for Students with Disabilities at (212) 998-4980 as soon as possible to better ensure that such accommodations are implemented in a timely fashion. For more information, see Study Away and Disability.

**Attendance Policy**

Study abroad at Global Academic Centers is an academically intensive experience, in which students from a wide range of backgrounds exchange ideas in discussion-based seminars. Learning in such an environment depends on the active participation of all students. Since classes typically meet once or twice a week, even a single absence can cause a student to miss a significant portion of a course. To ensure the integrity of this academic experience, class attendance at the Global Sites is expected. Unexcused absences will affect students' semester participation grade. Faculty will take attendance at the beginning of
every class. If you have scheduled a remote course immediately preceding/following an in-person class, you may want to discuss where at the Academic Center the remote course can be taken. Both in-person and remote students are responsible for making up any work missed due to absence. Repeated unexcused absences in a course may result in failure. This means they should initiate email and/or office hour discussions to address any missed lectures and assignments and arrange a timeline for submitting missed work.

For Italian Language courses that meet three or more times a week, please refer to *Addendum – Italian Language Absence Policy*

**Excused Absences:**
In case of absence, regardless of the reason, the student is responsible for completing missed assignments, getting notes and making up missed work in a timely manner based upon a schedule that is mutually agreed upon between the faculty member and the student. The only excused absences are those approved by the Office of Academic Support; they are as follows:

**Absence Due to Illness**
- If you are sick, please see a doctor. Contact the Office of Student Life for assistance.
- Self-isolation as recommended by a medical professional due to COVID-19 exposure
- COVID-19 related family emergencies
- For absences that last for two or more consecutive days, a doctor’s certificate, “certificato medico” is required. The doctor will indicate in writing the number of days of bed rest required. Please note these certificates can only be obtained on the day you see the doctor and cannot be written for you afterwards. For any questions or concerns, please reach out to florence.academicsupport@nyu.edu.
- Absences can ONLY be excused if they are reported prior to or no later than the week that they return to class via the online NYU Florence Absence Form. Failure to submit your request in time will automatically result in one or more unexcused absences.
- OAS will not accept a student email or telephone call regarding an absence due to illness.
- OAS will only notify faculty of absences REPORTED on the ABSENCE FORM.
- The Office of Student Life, when assisting you in cases of severe or extended illness, will coordinate with the Office of Academic Support to properly record your absences.

**Due to Religious Observance**
- Students observing a religious holiday during regularly scheduled class time are entitled to miss class without any penalty to their grade. This is for the holiday only and does not include the days of travel that may come before and/or after the holiday.
• Information regarding absences due to religious observance must be provided at least SEVEN DAYS PRIOR to the date(s) in question using the online NYU Florence Absence Form.
• Please note that no excuse absences for reasons other than illness can be applied retroactively.

**Due to a class conflict with a program sponsored lecture, event, or activity**
- All students are entitled to miss one class period without any penalty to their grade in order to attend a lecture, event or activity that is sponsored by the academic program.
- Information regarding absences due to a class conflict must be provided at least SEVEN DAYS PRIOR to the date(s) in question using the online NYU Florence Absence Form.
- Please note that no excused absences for reasons other than illness can be applied retroactively.

**Students with questions or needing clarification about this policy are instructed to contact a member of the Office of Academic Support located in Villa Ulivi or to email florence.academicsupport@nyu.edu**

**Late Submission of Work**
- All course work must be submitted on time, in class on the date specified on the syllabus.
- To request an extension on a deadline for an assignment, students must speak to the professor one week prior to the due date.
- To receive an incomplete for a course at the end of the semester, two weeks before final exams, both the student and the faculty member must meet with the Assistant Director of Academic Affairs to review the request and if granted, they must both sign an Incomplete Contract detailing the terms for completing missing coursework.

**Plagiarism Policy**

PLAGIARISM WILL NOT BE TOLERATED IN ANY FORM:
The presentation of another person’s words, ideas, judgment, images or data as though they were your own, whether intentionally or unintentionally, constitutes an act of plagiarism.

In the event of suspected or confirmed cases of plagiarism, the faculty member will consult first with the Assistant Director for Academic Affairs as definitions and procedures vary from school to school.

**Classroom Etiquette**
- Eating is not permitted in the classrooms. Bottled water is permitted.
- Cell phones should be turned off during class time.
• The use of personal laptops and other electronic handheld devices are possibly permitted by the professor.

We recycle! So keep it green! Please dispose of trash in the clearly marked recycle bins located throughout the on campus buildings.

Important Italian Class Rules

- Please remember that you are in Florence to learn the Italian language and culture, so Italian will be spoken in class at all times.
- Coming prepared to class having done the assignments, making an effort to constantly speak Italian, asking questions, participating in all activities with a positive attitude, are all criteria in assessing your own class participation.
- Relying on used textbooks with marked answers is considered a matter of academic honesty and will be regarded by your instructor as cheating, negatively affecting your grade.
- All Quizzes and Exams will be taken as scheduled. Examinations may be anticipated or made up only with the permission of the Office of Academic Support, Villa Ulivi.
- Personal travel arrangements will never constitute a satisfactory excuse for requesting an early or make-up exam.

Final exams must be taken at their designated times. Should there be a conflict between final exams, please bring it to the attention of the Office of Academic Support florence.academicsupport@nyu.edu as soon as this is known to facilitate alternate arrangements. Final exams may not be taken early, and students should not plan to leave the site before the end of the finals period.

Mercoledì 16 Dicembre: Esame Scritto
Venerdì 18 Dicembre: Esame Orale

Detailed Oral Exam Calendar provided by your professor. Written Exam: same schedule as your class.

**Class Time Expectation**
● Prepare your workspace for class, limit non-class activities during synchronous class time.
● If you are not using your cell phone to follow the lesson, cell phones should be turned off or in silent mode during class time.
● If deemed necessary by the study away site (i.e. a COVID related need), synchronous class sessions may be recorded and archived for other students to view. This will be announced at the beginning of class time.
● Students should be respectful and courteous at all times to all participants in class. Consider using the chat function or “raise hand” function in order to add your voice to class discussions.
● Please be mindful of your microphone and video display during synchronous class meetings. Ambient noise and some visual images may disrupt class time for you and your peers.

Inclusion, Diversity, Belonging and Equity

NYU is committed to building a culture that respects and embraces diversity, inclusion, and equity, believing that these values – in all their facets – are, as President Andrew Hamilton has said, “...not only important to cherish for their own sake, but because they are also vital for advancing knowledge, sparking innovation, and creating sustainable communities.” At NYU Florence, we are committed to creating a learning environment that:

• fosters intellectual inquiry, research, and artistic practices that respectfully and rigorously take account of a wide range of opinions, perspectives, and experiences; and

• promotes an inclusive community in which diversity is valued and every member feels they have a rightful place, is welcome and respected, and is supported in their endeavours.
