

NYU MADRID

Established in 1958, NYU Madrid is New York University's oldest global academic center, offering an unparalleled opportunity for students to quickly advance their Spanish language skills. Subject courses are taught in Spanish and English, and language courses are taught intensively. Students may concentrate their studies with global academic pathways in business and Spanish language and culture. ACADEMICS

Courses are crafted to uphold the academic rigor expected from NYU. Students can select courses from a full array of disciplines taught by an exemplary faculty of local scholars, artists, and professionals.

Students earn 12 to 18 NYU credits per semester. Subject areas listed on the reverse side are generally offered during the fall and spring semesters. Some students may be eligible in the spring semester to register for one or two courses at NYU's affiliated institution, the Universidad Autónoma de Madrid.

SAMPLE GLOBAL ACADEMIC PATHWAYS

Global academic pathways enable students to stay on track with their major and/or minor by providing clusters of study abroad courses that have been approved by NYU departments.

- **Art History:** Students pursuing an Art History major have the opportunity to take a gallery course with a focus on the artwork in the Prado Museum.
- **Business Studies:** NYU's world-renowned Stern School of Business offers courses in finance, marketing, and information technology.
- **Spanish Language and Culture:** Language courses are available at all levels, from elementary to advanced, and are equivalent to a full year of study. Spanish-taught subject courses in a variety of disciplines, including literature and the humanities, are also available at the intermediate and advanced levels.

HOW TO APPLY

Apply at nyu.edu/global-programs. Application deadlines are posted online. The NYU Office of Global Programs reviews completed applications in multiple phases. Students are advised to apply by the earliest deadline.

ADMISSIONS

The admissions process ensures that all students studying with NYU are capable of performing to high academic standards. NYU's global locations draw an exceptional group of students from leading institutions throughout the United States in addition to NYU students. All students complete an online application, which includes a personal statement. Non-NYU students submit additional materials to support their online application, including an official college transcript and a letter of recommendation.

Non-NYU students should research to confirm when the program they are most interested in will be available.

2019-2020 EXPENSES (PER SEMESTER)

University tuition and fees are \$26,655, with the following exceptions: Tandon School of Engineering, Stern School of Business, and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

SCHOLARSHIPS AND FINANCIAL AID

Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at nyu.edu/global-programs/financial-aid for further information.

Non-NYU students are encouraged to contact their home institution regarding portable financial assistance, such as Pell Grants, Stafford Loans, and Direct PLUS Loans. Through a consortium agreement initiated by the student's home university, this assistance may travel with the student and apply to NYU tuition and fees.

Course offerings and housing accommodations at all global locations are subject to change. See the website for the most up-to-date information.
