## ADMISSIONS

The admissions process ensures that all students studying with NYU are capable of performing to high academic standards. NYU's global locations draw an exceptional group of students from leading institutions throughout the United States in addition to NYU students. All students complete an online application, which includes a personal statement. Non-NYU students submit additional materials to support their online application, including an official college transcript and a letter of recommendation.

Non-NYU students should research to confirm when the program they are most interested in will be available.

## 2019-2020 EXPENSES (PER SEMESTER)

University tuition and fees are \$26,655, with the following exceptions: Tandon School of Engineering, Stern School of Business, and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

## SCHOLARSHIPS AND FINANCIAL AID

Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at [nyu.edu/global-programs/financial-aid](https://nyu.edu/global-programs/financial-aid) for further information.

Non-NYU students are encouraged to contact their home institution regarding portable financial assistance, such as Pell Grants, Stafford Loans, and Direct PLUS Loans. Through a consortium agreement initiated by the student's home university, this assistance may travel with the student and apply to NYU tuition and fees.

Course offerings and housing accommodations at all global locations are subject to change. See the website for the most up-to-date information.
