THREE EASY STEPS TO STUDY AWAY

1. RESEARCH YOUR OPTIONS
   ► Visit the NYU Office of Global Programs website at nyu.edu/global-programs to review courses, scholarships and awards, and for-credit internships.
   ► Use the Global Study Planner to see which locations offer courses in your area of academic interest.
   ► Discuss your academic plans with your academic or school adviser.

2. APPLY ONLINE
   ► Go to nyu.edu/global-programs for information on eligibility and submission deadlines.
   ► Submit the online form and any supplemental materials.
   ► All students enrolled at an NYU global location are considered for a Global Pathways Scholarship.

3. GET READY TO GO
   ► Access your enrollment portal to confirm your spot and review an individualized checklist of requirements, such as registering for courses, attending predeparture orientation, and submitting information for your visa, vaccinations, and housing (requirements vary by location).

ACADEMICS
Students can select courses from a full array of disciplines taught by an exemplary faculty made up of local scholars, artists, and professionals. The majority of classes are held on site at NYU’s own central locations. While most courses are taught in English, students may also select from courses offered in the host country’s language. In some locations, affiliations with local universities allow students to enroll in one or two courses at the local university for NYU credit. Learning outside the classroom is encouraged by interaction with the host culture through internships, community service, excursions, and cultural activities.

FACILITIES
NYU’s global locations boast newly renovated buildings usually within the city center. In addition to classrooms, offices, and computing facilities, these locations are equipped with all the amenities necessary for students to keep up with their studies, from listening and viewing stations to reading rooms, rehearsal spaces, art studios, and darkrooms. Housing is guaranteed and varies by location. Options include apartments, residence halls, or homestays, often in the most popular areas of each global location.

STUDENT WELLNESS
NYU is dedicated to the well-being of its students inside and outside the classroom. In addition to highly qualified academic support staff and noted faculty, full-time student life staff manage the safety and welfare of students at all locations. On-site clinical psychologists or global wellness counselors are available at nearly all global locations. Knowledgeable staff are quick to respond to any emergency that may arise at any time and can direct students to local resources.

CULTURAL ENGAGEMENT
Internship and volunteer opportunities allow students to become familiar with the language and local culture while gaining hands-on experience in various capacities. Other engagement opportunities include lectures, extracurricular activities with local students, and trips to neighboring cities and landmarks.

STUDY AWAY PROCESS
Students interested in studying away can visit the NYU Office of Global Programs website at nyu.edu/global-programs and submit a brief online form that includes two optional short-answer prompts. The Office of Global Programs considers the unique program requirements and each student’s complete academic and university records when reviewing student submissions.

SCHOLARSHIPS AND FINANCIAL AID
Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file will automatically be reviewed for a variety of scholarships, like the NYU Global Pathways Scholarship. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at nyu.edu/global-programs/financial-aid for further information.
