ACADEMICS
Courses are crafted to uphold the academic rigor expected from NYU. Students can select courses from a full array of disciplines taught by an exemplary faculty of local scholars, artists, and professionals. Students earn 12 to 18 NYU credits per semester. Subject areas listed on the reverse side are generally offered during the fall and spring semesters. Some students may be eligible to register for one or two courses at NYU's affiliated institution, the University of Florence.

SAMPLE GLOBAL ACADEMIC PATHWAYS
Global academic pathways enable students to stay on track with their major and/or minor by providing clusters of study abroad courses that have been approved by NYU departments.

- **Art History:** Students pursuing an Art History major can take a variety of courses at NYU Florence, such as Renaissance Art, The Gardens and Landscapes of Tuscany, and The Etruscans. Classes meet off campus in the city center.
- **Business:** NYU’s world-renowned Stern School of Business offers courses in accounting, management communication, marketing, and operations management.
- **Fashion:** The Gallatin School of Individualized Study hosts the Global Fashion in Florence program, consisting of the History of Italian Fashion and Global Fashion Industry courses. Students outside the program may enroll in these courses, though program participants will receive registration priority.
- **Italian Language Program:** Students take courses designed to help them quickly achieve proficiency in Italian while living with a Florentine family.
- **Prelaw:** Courses in prelaw, politics, and history examine the distinct political system of Italy as well as the policies and legal systems of the European Union.

ACADEMIC INTERNSHIPS
NYU Florence organizes for-credit internships for students of all majors who want to gain work experience. For example, placements are offered in fields such as business, the arts and arts management, and education. Students will enroll in a four-credit course to earn credit for their academic internship.

STUDY AWAY PROCESS
Students interested in studying away can visit the NYU Office of Global Programs website at nyu.edu/global-programs and submit a brief online application that includes two optional short-answer prompts. The Office of Global Programs considers the unique program requirements and each student’s complete academic and university records when reviewing student submissions. Submission deadlines per semester are posted online. After each deadline, the NYU Office of Global Programs reviews submissions on a rolling basis.

Non-NYU students submit additional materials including an unofficial college transcript and an adviser approval form. Non-NYU students should research to confirm when the program they are most interested in will be available.

2021-2022 EXPENSES (PER SEMESTER)
University tuition and fees are $28,250, with the following exceptions: Stern School of Business and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

SCHOLARSHIPS AND FINANCIAL AID
Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at nyu.edu/global-programs/financial-aid for further information.

Non-NYU students are encouraged to contact their home institution regarding portable financial assistance, such as Pell Grants, Stafford Loans, and Direct PLUS Loans. Through a consortium agreement initiated by the student’s home university, this assistance may travel with the student and apply to NYU tuition and fees.

Course offerings and housing accommodations at all global locations are subject to change. Refer to the website for the most up-to-date information.
