STUDY AWAY PROCESS
Students interested in studying away can visit the NYU Office of Global Programs website at nyu.edu/global-programs and submit a brief online form that includes two optional short-answer prompts. The Office of Global Programs considers the unique program requirements and each student’s complete academic and university records when reviewing student submissions. Submission deadlines per semester are posted online. After each deadline, the NYU Office of Global Programs reviews submissions on a rolling basis.

Non-NYU students submit additional materials including an unofficial college transcript and an adviser approval form. Non-NYU students should research to confirm when the program they are most interested in will be available.

2021–2022 EXPENSES (PER SEMESTER)
NYU Shanghai tuition and fees are $28,250, with the following exceptions: Stern School of Business and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

SCHOLARSHIPS AND FINANCIAL AID
Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities such as the Freeman-ASIA Award. Please visit the financial aid section of our website at nyu.edu/global-programs/financial-aid for further information.

Non-NYU students are encouraged to contact their home institution regarding portable financial assistance, such as Pell Grants, Stafford Loans, and Direct PLUS Loans. Through a consortium agreement initiated by the student’s home university, this assistance may travel with the student and apply to NYU tuition and fees.

Course offerings and housing accommodations at all global locations are subject to change. Refer to the website for the most up-to-date information.
