# DEPARTMENT OF PSYCHOLOGY

- ▶ Abu Dhabi
- ▶ Berlin
- ▶ London
- ▶ Shanghai
- ▶ Sydney
- ▶ Washington, DC

Study human behavior and engage with different cultures through global courses offered by the Department of Psychology in the College of Arts and Science. As a psychology student, you will examine mental processes and human development from many perspectives and gain new ways of thinking about the discipline from outside your own culture. You will develop the analytical and scientific tools necessary to address key questions in today's interconnected world by taking courses in many areas, including social psychology and cognitive neuroscience. All courses are taught by leading scholars and professionals from around the world.

**NYU  
GLOBAL  
PROGRAMS**

## NYU ABU DHABI

Study psychology from both natural and social science perspectives in Abu Dhabi, the capital city of the United Arab Emirates and a vibrant cultural and entrepreneurial hub with a multinational population. At NYU Abu Dhabi, you will have an opportunity to engage in a variety of research projects centered on a holistic mix of different branches of psychology, from perception to gender dynamics and more. You will also join a diverse campus community of students from over 115 countries. **Courses offered at NYU Abu Dhabi may not automatically count as major or minor equivalents. Students are encouraged to meet with their academic adviser to discuss their major requirements and degree progress.**
