ACADEMICS

Courses are crafted to uphold the academic rigor expected from NYU. Students can select courses from a full array of disciplines taught by an exemplary faculty of local scholars, artists, and professionals.

Students earn 12 to 18 NYU credits per semester. Subject areas listed on the reverse side are generally offered during the fall and spring semesters.

SAMPLE GLOBAL ACADEMIC PATHWAYS

Global academic pathways enable students to stay on track with their major and/or minor by providing clusters of study abroad courses that have been approved by NYU departments.

- **Art and Architecture:** NYU's Urban Design and Architecture Studies program created a set of courses for NYU London students to engage in the debate about how city planners, architects, and artists can work together to improve residents' lives.
- **British Literature, Theatre, and Writing:** Students enroll in courses in literature, theatre, or creative writing.
- **Business:** NYU's world-renowned Stern School of Business offers courses in areas such as finance, management, marketing, and operations management.
- **Fashion:** The Gallatin School of Individualized Study hosts the Global Fashion in London program, which includes courses like History of British Fashion and Global Fashion Industry. Students outside the program may enroll in these courses, though program participants receive registration priority.
- **International Relations:** Students take courses in politics, economics, and statistics, which prepare them for positions with governments, nongovernmental organizations, think tanks, international finance groups, multinational corporations, law firms, and other institutions.
- **Prehealth:** Students enroll in science courses acceptable to all American Medical College Application Service medical schools.
- **Psychology:** Students pursuing a Psychology major can take a variety of courses at NYU London.

ACADEMIC INTERNSHIPS

NYU London organizes for-credit internships for students of all majors who want to gain work experience. For example, placements are offered in fields such as marketing, banking and financial services, film and television, law, politics, health, and theatre. Students will enroll in a four-credit course to earn credit for their academic internship.

HOUSING

Students live in either apartment-style suites in one of two NYU residence halls located in Bloomsbury or in doubles within a private residence hall located in the King's Cross area of Central London. If necessary, additional housing is secured in a private residence hall in Bloomsbury.

STUDY AWAY PROCESS

Students interested in studying away can visit the NYU Office of Global Programs website at nyu.edu/global-programs and submit a brief online interest form. The Office of Global Programs considers the unique program requirements and each student's complete academic and university records when reviewing student submissions. Submission deadlines per semester are posted online. After each deadline, the NYU Office of Global Programs reviews submissions on a rolling basis.

2022-2023 EXPENSES (PER SEMESTER)

University tuition and fees are \$29,084, with the following exceptions: Stern School of Business and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

SCHOLARSHIPS AND FINANCIAL AID

Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at nyu.edu/global-programs/financial-aid for further information.

Non-NYU students are encouraged to contact their home institution regarding portable financial assistance, such as Pell Grants, Stafford Loans, and Direct PLUS Loans. Through a consortium agreement initiated by the student's home university, this assistance may travel with the student and apply to NYU tuition and fees.

Course offerings and housing accommodations at all global locations are subject to change. Refer to the website for the most up-to-date information.
