

# NYU MADRID

Established in 1958, NYU Madrid is New York University's oldest global academic center, offering an unparalleled opportunity for students to quickly advance their Spanish language skills. Subject courses are taught in Spanish and English, and language courses are taught intensively. Students may concentrate their studies with global academic pathways in business and Spanish language and culture. Day trips and faculty-guided excursions in and around Madrid and to other cities in Spain are an essential part of the curriculum. Refer to the full list of available subject areas below.

## WHEN

Fall/spring/academic year/Summer Session/January Term. Opportunities during Summer Sessions and January Term are often specialized programs with different admissions processes and academic offerings than the fall and spring semesters. Visit the Global Programs website to learn more.

## ACADEMICS

Courses are crafted to uphold the academic rigor expected from NYU. Students can select courses from a full array of disciplines taught by an exemplary faculty of local scholars, artists, and professionals.

Students earn 12 to 18 NYU credits per semester. Subject areas listed on the reverse side are generally offered during the fall and spring semesters. Some students may be eligible in the spring semester to register for one or two courses at NYU's local affiliated institution, the Universidad Autónoma de Madrid.

## SAMPLE GLOBAL ACADEMIC PATHWAYS

Global academic pathways enable students to stay on track with their major and/or minor by providing clusters of study abroad courses that have been approved by NYU departments.

- **Art History:** Students pursuing an Art History major have the opportunity to take a gallery course with a focus on the artwork in the Prado Museum.
- **Business Studies:** NYU's world-renowned Stern School of Business offers courses in finance, marketing, and information technology.
- **Spanish Language and Culture:** Language courses are available at all levels, from elementary to advanced, and are equivalent to a full year of study. Spanish-taught subject courses in a variety of disciplines, including literature and the humanities, are also available at the intermediate and advanced levels.

## CULTURAL ENGAGEMENT

- Intercambio Language Exchange Program
- Volunteer opportunities
- Homestays with Spanish host families

## GLOBAL ACADEMIC CENTER

The academic center is situated in a newly renovated building just off Calle Gran Vía, a short distance from the Prado Museum and Retiro Park.

## ACADEMIC INTERNSHIPS

NYU Madrid organizes for-credit internships for students of all majors who want to gain work experience. For example, placements are offered in fields such as marketing, international business, and psychology. Students will enroll in a four-credit course to earn credit for their academic internship.

## HOUSING

Students always have the option to live in a Madrileño household. Additional housing options can vary by semester and typically include an apartment-style residence hall.

## STUDY AWAY PROCESS

Students interested in studying away can visit the NYU Office of Global Programs website at [nyu.edu/global-programs](https://nyu.edu/global-programs) and submit a brief online interest form. The Office of Global Programs considers the unique program requirements and each student's complete academic and university records when reviewing student submissions. Submission deadlines per semester are posted online. After each deadline, the NYU Office of Global Programs reviews submissions on a rolling basis.

Non-NYU students submit additional materials including an unofficial college transcript and an adviser approval form. Non-NYU students should research to confirm when the program they are most interested in will be available.

## 2022-2023 EXPENSES (PER SEMESTER)

University tuition and fees are \$29,084, with the following exceptions: Stern School of Business and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

## SCHOLARSHIPS AND FINANCIAL AID

Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at [nyu.edu/global-programs/financial-aid](https://nyu.edu/global-programs/financial-aid) for further information.

Non-NYU students are encouraged to contact their home institution regarding portable financial assistance, such as Pell Grants, Stafford Loans, and Direct PLUS Loans. Through a consortium agreement initiated by the student's home university, this assistance may travel with the student and apply to NYU tuition and fees.

Course offerings and housing accommodations at all global locations are subject to change. Refer to the website for the most up-to-date information.
