

NYU SYDNEY

Located on the continent and in the nation of Australia, NYU Sydney offers courses and excursions in the rich history of the immigrant and Indigenous Australian communities. Students may concentrate their studies with global academic pathways in areas such as business, environmental studies, global public health, and psychology. Through courses and activities at both NYU Sydney and the University of Sydney, including the required Industry and Community Project Unit, students have the chance to explore and expand their knowledge of the country's historic and contemporary culture. Refer to the full list of available subject areas below.

-
- Anthropology
 - Business (Stern)
 - Child and Adolescent Mental Health Studies (spring only)
 - College Core Curriculum
 - English and American Literature
 - Environmental Studies
 - Experiential Learning for Credit
 - Gallatin School Seminars
 - Global Public Health
 - History (fall only)
 - Media, Culture, and Communication
 - Metropolitan Studies
 - Psychology (spring only)
 - Social and Cultural Analysis

**NYU
GLOBAL
PROGRAMS**

WHEN

Fall/spring/academic year.* Opportunities during Summer Sessions and January Term are often specialized programs with different admissions processes and academic offerings than the fall and spring semesters. Visit the Global Programs website to learn more.

ACADEMICS

Courses uphold the academic rigor expected from NYU. Students can select courses from a full array of disciplines taught by an exemplary faculty of local scholars, artists, and professionals.

Students take 12 to 18 credits per semester from select preapproved University of Sydney courses as well as courses crafted by NYU Sydney. Subject areas listed on the reverse side are generally offered during the fall and spring semesters.

INDUSTRY AND COMMUNITY PROJECT UNIT

In collaboration with an industry partner and academic lead, students will work in a group with other NYU and University of Sydney students to research, analyze, and present solutions to real-world problems set by industry partners. This required course provides an experiential learning opportunity similar to a consulting internship and can satisfy the Global Public Health Experiential Learning requirement.

Partners include:

- Accenture
- Adobe
- ANZ Banking Group
- EY
- IBM
- KPMG
- Westpac

SAMPLE GLOBAL ACADEMIC PATHWAYS

Global academic pathways enable students to stay on track with their major and/or minor by providing clusters of study abroad courses that have been approved by NYU departments.

- **Anthropology:** Coursework allows students to explore the classical and current anthropological issues of Indigenous Australia as well as the principal themes and issues in the development of Indigenous art in Australia.
- **Business:** NYU's world-renowned Stern School of Business offers courses in finance and marketing.
- **Environmental Studies:** Students can examine environmental studies through the lenses of journalism and literary theory.
- **Global Public Health:** Students majoring in Global Public Health can complete core major requirements by taking courses in the areas of epidemiology, environmental health, and sociobehavioral health.

CULTURAL ENGAGEMENT

Faculty members lead trips to surrounding regions and communities, providing students with direct experience in local domains and cultures—from city to bush.

GLOBAL ACADEMIC CENTER

NYU Sydney is located in the heart of the University of Sydney's Camperdown/Darlington campus. The campus includes six libraries, art galleries, historical museums, and beautiful lawns. Neighborhoods full of restaurants, markets, cafes, and shopping locations border the campus.

ACADEMIC INTERNSHIPS

NYU Sydney organizes for-credit internships for students who want to gain work experience. Placements are offered in fields such as journalism, finance, advertising, and environmental science.

HOUSING

Students live in single rooms in the Regiment Building, one of the University of Sydney's residence halls that is a short distance from university libraries and classrooms.

STUDY AWAY PROCESS

Students interested in studying away can visit the NYU Office of Global Programs website at nyu.edu/global-programs and submit a brief online interest form. The Office of Global Programs considers the unique program requirements and each student's complete academic and university records when reviewing student submissions. Submission deadlines per semester are posted online. After each deadline, the NYU Office of Global Programs reviews submissions on a rolling basis.

2022-2023 EXPENSES (PER SEMESTER)

University tuition and fees are \$29,084, with the following exceptions: Stern School of Business and Tisch School of the Arts students pay their regular school charges. Airfare, housing, meals, personal travel, visa application fees, and other related expenses are additional costs.

SCHOLARSHIPS AND FINANCIAL AID

Students receive the same financial assistance package at all NYU locations. Those who are offered admission by the Office of Global Programs and who have a FAFSA or CSS Profile on file are automatically reviewed for a variety of scholarships. Global Programs staff are also available to assist students with external scholarship opportunities. Please visit the financial aid section of our website at nyu.edu/global-programs/financial-aid for further information.

Course offerings and housing accommodations at all global locations are subject to change. Refer to the website for the most up-to-date information.

*Fall and spring semester study is open only to NYU students.
