a. Job Description

1. Job Title - Official University title

2. Number of hours of work per week (*If this is a part-time teaching job, please indicate contact hours/wk only*)

2a. Hourly Work Schedule (Most NYU jobs are considered 35 hours a week. Only put 40 if there is good reason to do so. A 40 hr/week job will yield a higher prevailing wage rate than a 35 hr/week job).

2b. Actual Wage (If part-time, state hourly rate. For teaching positions, figure in contact hours per week only)

3. Job Title and Name of Supervisor for the Employee (Enter the job title and name of the supervisor, e.g., Chair, Director, etc.)

4. Does this position supervise the work of other employees? (Indicate yes only if this employee will have hire, fire, and disciplinary authority over any employee[s] –not including student employees)

4a. If “Yes,” number of employees the worker will supervise (if applicable).

5. Job Duties (Describe primary duties of the position anyone must perform in this job. For tenured and tenure-track faculty, the standard description should include the subject matter they are teaching plus advising students, conducting research, writing scholarly publications, and providing service to the University)

b. Minimum Job Requirements

1. Education: Minimum US diploma degree required (*Choose from drop-down*)

1a. If “Other degree” in question 1, specify the diploma required (*e.g., MD. If the answer to #1 was not “Other,” enter “N/A” for 1a*)

1b. Indicate the major(s) and/or field(s) of study required. (*Indicate whether the job requires one or two primary fields. If a variety of fields is acceptable, state the primary field(s) and write “or related field”*)

2. Does the employer require a second U.S. diploma/degree? (*Yes or No; the answer here would normally be “No”*)

2a. If “Yes” in question 2, indicate appropriately. (*If the answer to question 2 is “No,” enter “N/A”*)

3. Is training for the job opportunity required? (Yes or No. Per U.S. DOL, training may include, but is not limited to: programs, coursework, or training experience, other than employment. Do not duplicate requirements—the training required should not be counted as education or experience required. At NYU, the answer to this question is usually “No”.)

4. Is employment experience required? (Yes or No)

- For jobs that were advertised and experience was explicitly stated in months or years, state “Yes.”
- For jobs that were advertised and you know experience is required but the ad didn’t say so or the experience wasn’t quantified, answer “Yes.”
- For jobs not advertised answer whatever is appropriate.
- *Note: Experience required will of course yield a higher prevailing wage so be sure to indicate the minimum.

4a. If “Yes” in question 4, specify the number of months of experience required. (If no experience, enter “0.” As a guideline, for faculty positions in FAS, if not otherwise indicated, we generally put “0” for Assistant Professor rank, “60 mos” [or 5 yrs] for Associate rank, and “84 mos” [or 7 yrs] for Professor rank. Required experience may vary according to School but remember to enter MINIMUM and to count an academic year for full-time faculty as 12 mos)

4b. Indicate the occupation required. (For faculty jobs, enter “postsecondary teaching.” If the answer to 4a is “No,” enter “N/A”)

5. Special Requirements—List specific skills, licenses/certificates/certifications and requirement of the job opportunity. (Only include additional skills or requirements as noted in a job ad. For foreign language teaching jobs, if fluency in the language taught is not indicated in the job ad, include it here)
