Procedures For Dental Claims (Continued)

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of MetLife. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife’s notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

Within 30 days after We receive Proof of Your claim, We will approve and pay the claim or We will deny the claim. If We deny the claim, We will provide You with the basis of Our denial or the specific additional information that We need to adjudicate Your claim. If We request additional information, We will approve and pay the claim or We will deny the claim within 15 days after We receive the additional information. If the claim is approved and not paid within the time period provided, the claim will accrue at an interest rate of 15 percent per year until the claim is paid.

Appealing the Initial Determination

If MetLife denies Your claim, You may appeal the denial. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision, or as soon as reasonably possible for situations in which You cannot reasonably meet the deadline. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. Your appeal will be reviewed by a person holding the same professional license as the treating Dental provider. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim.
NOTICE FOR RESIDENTS OF ALASKA

Procedures For Dental Claims (Continued)

MetLife will notify You in writing of its final decision within 18 days after MetLife’s receipt of Your written request for review.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

If You disagree with the response to the initial appeal of the denied claim, You have the right to a second level appeal. We shall communicate Our final determination to You within 18 calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. Our communication to You shall include the specific reasons for the determination.

External Appeal

If You disagree with the response to the second appeal of the denied claim, You have the right to an external appeal. We will communicate the decision of the external appeal agency in Writing. The decision will be made in accordance with the medical exigencies of the case involved, but in no event later than 21 working days after the appeal is filed, or, in the case of an expedited appeal, 72 hours after the time of requesting an external appeal of the health care insurer’s decision. Recovery of Overpayments

We have the right to recover any amount that is determined to be an overpayment, within 180 days from the date of service, whether for services received by You or Your Dependents.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

If Your claim is a Clean Claim and it is approved by MetLife, benefits will be paid within 30 calendar days after receipt of Your Clean Claim.

If MetLife denies Your Clean Claim in whole or in part, the notification of the claims decision will state the reason why Your Clean Claim was denied and reference the specific Plan provision(s) on which the denial is based. If a portion of Your Clean Claim is approved, We will pay that portion of the claim.

You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife's receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

If Your claim is a Clean Claim and it is approved by MetLife, benefits will be paid within 25 days after MetLife receives due written proof in electronic form of a covered loss, or within 35 days after receipt of due written proof in paper form of a covered loss. Due written proof includes, but is not limited to, information essential for Us to administer coordination of benefits.

“Clean Claim” means a claim that:

- does not require further information, adjustment or alteration by You or the provider of the services in order for MetLife to process and pay it;
- does not have any defects;
- does not have any impropriety, including any lack of supporting documentation; and
- does not involve a particular circumstance required special treatment that substantially prevents timely payments from being made on the claim.

A Clean Claim does not include a claim submitted by a provider more than 30 days after the date of service, or if the provider does not submit the claim on Your behalf, a claim submitted more than 30 days after the date the provider bills You.

If MetLife is unable to pay a claim for Dental Insurance benefits because MetLife needs additional information or documentation, or there is a particular circumstance requiring special treatment, within 25 days after the date MetLife receives the claim if it is submitted in electronic form, or within 35 days after the date MetLife receives the claim if it is submitted in paper form, MetLife will send You notice of what supporting documentation or information MetLife needs. Any claim or portion of a claim for Dental Insurance benefits that is resubmitted with all of the supporting documentation requested in Our notice and becomes payable will be paid to You within 20 days after MetLife receives it.
NOTICE FOR RESIDENTS OF MISSISSIPPI (continued)

If MetLife does not deny payment of such benefits to You by the end of the 25 day period for clean claims submitted in electronic form, or 35 day period for clean claims submitted in paper form, and such benefits remain due and payable to You, interest will accrue on the amount of such benefits at the rate of 1½ percent per month until such benefits are finally settled. If MetLife does not pay benefits to You when due and payable, You may bring action to recover such benefits, any interest which has accrued with respect to such benefits and any other damages which may be allowed by law. MetLife will pay benefits when MetLife receives satisfactory Written proof of Your claim.

Proof must be given to MetLife not later than 90 days after the end of the Dental Expense Period in which the Covered Dental Expenses were incurred. If proof is not given on time, the delay will not cause a claim to be denied or reduced as long as the proof is given as soon as possible.

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

- Whether the appeal is the first or second appeal of the initial determination;

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife’s receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

Notice for Residents of Utah

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- **Life Insurance**
  - $500,000 in death benefits
  - $200,000 in cash surrender or withdrawal values
- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $500,000 in long-term care insurance benefits
  - $500,000 in disability income insurance benefits
  - $500,000 in other types of health insurance benefits
- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within 15 working days from the date We received Your claim; except for situations requiring an extension of time because of matters beyond the control of MetLife. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 15 working days, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife’s notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.
NOTICE FOR RESIDENTS OF VERMONT (continued)

Appealing the Initial Determination

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

- Name of Employee;
- Name of the Plan;
- Reference to the initial decision;
- Whether the appeal is the first or second appeal of the initial determination;
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final decision within 30 days after MetLife’s receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify You in writing of its final determination within 30 days after MetLife’s receipt of Your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify You prior to the expiration of the 30 day period, state the reason(s) why an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

Policies and Procedures for Emergency and Urgent Care

Urgent care and Emergency services: All member dentists of the MetLife Preferred Dentist Program are required to have 24-hour emergency coverage or have alternate arrangements for emergency care for their patients. Since the MetLife Preferred Dentist Program is a freedom-of-choice PPO program, there is no primary care physician. No authorization of a service is necessary by a Primary Care Physician, nor is it necessary to obtain a pre-authorization of services. The patient is free to use the dentist of their choice.

An important distinction to be made for this section is the difference between Urgent Care in a dental situation versus that found in medical. Urgent care is defined more narrowly in dental to mean the alleviation of severe pain (as there are no life-threatening situations in dental). Additionally, the alleviation of pain in dental is a simple palliative treatment, which is not subject to claim review.

The benefit amount will be consistent with the terms contained in the insured’s contract.
Urgent Care Submission:

A small number of claims for dental expense benefits may be urgent care claims. Urgent care claims for dental expense benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim is filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the same time frames above and then mail you a written notice.

For Eligible Class 1, Retired Employees of the Policyholder whose retirement date is August 31, 2011 or earlier, You will be eligible for the Dental Insurance described in this certificate on January 1, 2012.

For all other Eligible Classes, You will be eligible for the Dental Insurance described in this certificate on the later of January 1, 2012 and the date You enter that class.

ENROLLMENT PROCESS FOR DENTAL INSURANCE

Enrollment for Eligible Class 1

The Group Policy’s Initial Enrollment Period applies to persons who belong to Eligible Class 1, Retired Employees of the Policyholder whose retirement date is August 31, 2011 or earlier. The Initial Enrollment Period begins on November 8, 2011 and ends on December 8, 2011.

If You are a member of Eligible Class 1, You may enroll for Dental Insurance by completing the required form in Writing on a Timely Basis and by sending that form to Us for such insurance.

The terms “Timely Enrollment” and “Timely Basis” for members of Eligible Class 1 mean that You submit the enrollment form in Writing and We receive it on or before December 8, 2011. If You make a Timely Enrollment, Dental Insurance will take effect as of January 1, 2012. If You do not make a Timely Enrollment, You cannot enroll at a later date as a member of Eligible Class 1.

Dental Insurance for You will not take effect unless We receive the initial premium payment.
ELIGIBILITY PROVISIONS: INSURANCE FOR YOU (continued)

Enrollment for Eligible Classes 2, 3, 4, 5, 6, and 7

If You become eligible as a member of Eligible Classes 2, 3, 4, 5, 6, and 7, You may enroll for Dental Insurance by completing the required form in Writing on a Timely Basis and by sending that form to Us for such insurance.

The terms “Timely Enrollment” and “Timely Basis” for members of Eligible Class 2, 3, 4, 5, 6, and 7 mean that We receive the enrollment form in Writing within 60 days of the date the enrollment kit was sent to You.

The effective date of the Dental Insurance will depend on when We receive the enrollment form. If We receive the enrollment form on or before the 15th of a month, Dental Insurance for You will take effect on the first day of the following month. If We receive the enrollment form on or after the 16th of a month, Dental Insurance for You will take effect on the first day of the second following month. For example, if You make a Timely Enrollment and we receive the enrollment form on February 15, Your Dental Insurance will take effect on March 1. If You make a Timely Enrollment and we receive the enrollment form on February 16, Your Dental Insurance will take effect on April 1.

Dental Insurance for You will not take effect unless We receive the initial premium payment.

Effect of Not Enrolling on a Timely Basis

If You did not enroll on a Timely Basis after joining an Eligible Class, You cannot enroll at a later date as a member of that Eligible Class.

However, if You later become a member of a different Eligible Class, You may enroll as a member of that Eligible Class if You enroll on a Timely Basis. For example, if You retire on March 1, 2014 and did not enroll as a member of Eligible Class 1 on a Timely Basis but continue dental benefits under COBRA continuation as part of the Policyholder’s plan for active employees and that coverage ceases on August 31, 2015, You may enroll as a member of Eligible Class 3 if You enroll on a Timely Basis with respect to Your joining Eligible Class 3.

Enrollment Period

Starting with the fall of 2017 and every year after that the Group Policy will allow certificateholders to revise the option for which they are covered. If Dental Insurance is in effect for You under this certificate, You will be given the opportunity to change the Option under which You are covered, including to discontinue the insurance.

If you change the option for which You are covered, the new option will take effect on the January 1st after You elected to change the option. For example, if You elect during the annual enrollment period in the fall of 2017 to change Your option, Your new option will take effect on January 1, 2018.

Effect of Discontinuing Dental Insurance

If You discontinue Dental Insurance at any time, including through the failure to pay required premiums by the end of the grace period, You will not be able to re-enroll at any time.

Grace Period

Each premium due after the effective date of the Dental Insurance may be paid up to 60 days after its premium due date. This period is the grace period. During this grace period Your insurance will stay in effect, and You will still be obligated to Us to pay the premium for Your coverage that was in effect during the grace period.

If You do not pay the full premium by the end of the grace period, Your insurance will end on the last day of the grace period and You will be obligated to Us to for the premium for Your coverage that was in effect during the grace period.
If You do not remit to Us the premium within 60 days of the date the premium payment is due, the amount of the premium will be deducted from the benefits amount payable for the applicable period.

DATE YOUR INSURANCE ENDS

Your insurance will end on the earliest of:

1. the day before the date Your new option starts, if You switch to the other option;
2. the date of Your death;
3. the date the Group Policy ends;
4. the date insurance ends for Your class;
5. the last day of the month of the later of:
   - the date stated in Your cancellation notice; or
   - the date We have received Your cancellation notice; or
6. on the date premium is not paid when due, subject to the Grace Period provisions.

ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS (continued)

Enrollment Period

Starting with the fall of 2017 and every year after that the Group Policy will allow certificateholders to revise the option for which they are covered. If Dependent Insurance is in effect under this certificate, You will be given the opportunity to change the Option under which Your Dependents are covered, including to discontinue the insurance.

If you change the option for which You are covered, the new option will take effect on the January 1st after You elected to change the option. For example, if You elect during the annual enrollment period in the fall of 2017 to change Your option, Your new option will take effect on January 1, 2018.

Effect of Discontinuing Dental Insurance

If You discontinue Dependent Insurance at any time, including through the failure to pay required premiums by the end of the grace period, You will not be able to re-enroll at any time.

Grace Period

Each premium due after the effective date of the Dental Insurance may be paid up to 60 days after its premium due date. This period is the grace period. During this grace period Your insurance will stay in effect, and You will still be obligated to Us to pay the premium for Your coverage that was in effect during the grace period.

If You do not pay the full premium by the end of the grace period, Your insurance will end on the last day of the grace period and You will be obligated to Us to for the premium for Your coverage that was in effect during the grace period.

If You do not remit Us the premium within 60 days of the date the premium payment is due, the amount of the premium will be deducted from the benefits amount payable for the applicable period.

Enrollment Due to a Qualifying Event

If You are a Retired Employee in Eligible Classes 1, 2, 3, 4, or 5 You may enroll for Dependent Insurance for which You are eligible if You have a Qualifying Event and acquire a new Dependent or Your Spouse loses dental insurance under an employer’s dental plan for active employees. This enrollment will only pertain to the new Dependent and Your Spouse who loses dental insurance under an employer’s dental plan for active employees.

Ex-spouses, ex-domestic partners, widows and widowers in Eligible Class 6 are continuing insurance which existed under the Retired Employee’s certificate and cannot add Dependent Insurance after their enrollment. Qualifying Events do not apply to Eligible Class 6.

If You have a Qualifying Event, You will have 60 days from the date of that event to make a request to add Dependent Insurance for Your new Dependent or for Your Spouse who loses dental insurance under an employer’s dental plan for active employees. The insurance enrolled for or changes to Your insurance made as a result of a Qualifying Event will take effect on the first day of the month following the date of Your request.

Qualifying Event includes:

• You get married;
• You acquire a new Child; or
• Your Spouse loses dental insurance under an employer’s dental plan for active employees.
DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS

A Dependent's insurance will end on the earliest of:

1. the day before the date Your new option starts, if You switch to the other option;
2. the date You die;
3. the date the Group Policy ends;
4. the date Insurance for Your Dependents ends under the Group Policy;
5. the last day of the month of the later of:
   - the date stated in Your cancellation notice; or
   - the date We have received Your cancellation notice;
6. on the date premium is not paid when due, subject to the Grace Period provisions;
7. the end of the calendar year in which the Dependent Child reaches the limiting age; or
8. the last day of the month the person ceases to be a Dependent for any reason other than the Dependent Child reaching the limiting age.

In certain cases insurance may be continued as stated in the section entitled CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT.
CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Insurance for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to Us within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE YOUR INSURANCE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOUR DEPENDENTS, insurance will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

AT THE POLICYHOLDER’S OPTION

Dental Insurance for Your Dependents may be continued under a separate certificate under This Policy if such coverage under Your certificate would cease because:

1. You die;
2. Your marriage ends in divorce or annulment or Your domestic partnership ends; or
3. Your Child attains the limiting age.

To continue Dental Insurance under this provision:

1. You or Your Dependents must notify Us of the event within 60 days after the date of the event;
2. after We receive such notice, We will send Your Dependents a form to elect to continue such coverage, information regarding the amount of premium required to continue such coverage, and instruction for returning the election form; and
3. Your Dependents must return the election form to Us within 60 days of the date the enrollment kit is sent.

If Your Dependent Spouse continues coverage under this provision, he or she may also include coverage for any Child whose coverage under Your certificate ceases at the same time. Coverage for additional children or for a new Spouse are not available to your former Spouse.

If Your Dependent Child continues coverage under this provision, he or she may include coverage only on himself or herself. Coverage for his or her Dependents is not available.

If Your Dependent fails to notify Us of the event within 60 days of the event, or fails to return the election form within 60 days of the date the enrollment kit is sent and pay the amount of premium required to continue such coverage, eligibility for that Dependent to continue Dental Insurance under this provision will end.
DENTAL INSURANCE

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to Us. When We receive such Proof, We will review the claim and if We approve it, will pay the insurance in effect on the date that service was completed.

This Dental Insurance gives You access to Dentists through the MetLife Preferred Dentist Program. Dentists participating in the MetLife Preferred Dentist Program have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the MetLife Preferred Dentist Program, We pay benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with Us to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from Us to choose a Dentist.

The MetLife Preferred Dentist Program does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, We will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, We recommend that You:
• identify Yourself as an insured in the Preferred Dentist Program; and
• confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife’s In-Network Dentists either by calling 1-800-438-6388 or by visiting Our website at www.metlife.com/dental.

BENEFIT AMOUNTS

We will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the SCHEDULE OF BENEFITS, subject to the conditions set forth in this certificate.

In-Network

If a Covered Service is performed by an In-Network Dentist, We will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying:
• the Deductible; and
• any other part of the Maximum Allowed Charge for which We do not pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, We will base the benefit on the Covered Percentage of the Reasonable and Customary Charge.

Out-of-Network Dentists may charge You more than the Reasonable and Customary Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:
• the Deductible; and
• any other part of the Reasonable and Customary Charge for which We do not pay benefits; and
• any amount in excess of the Reasonable and Customary Charge charged by the Out-of-Network Dentist.
DENTAL INSURANCE (continued)

Maximum Benefit Amounts

The SCHEDULE OF BENEFITS sets forth Maximum Benefit Amounts We will pay for Covered Services received In-Network and Out-of-Network. We will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

For example, if a Covered Service is received Out-of-Network and We pay $300 in benefits for such service, $300 will be applied toward both the In-Network and the Out-of-Network Maximum Benefit Amounts applicable to such service.

Deductibles

The Deductible amounts are shown in the SCHEDULE OF BENEFITS.

The Yearly Individual Deductible is the amount that You and each Dependent must pay for Covered Services to which such Deductible applies each Year before We will pay benefits for such Covered Services.

We apply amounts used to satisfy Yearly Individual Deductibles to the Yearly Family Deductible. Once the Yearly Family Deductible is satisfied, no further Yearly Individual Deductibles are required to be met.

The amount We apply toward satisfaction of a Deductible for a Covered Service is the amount We use to determine benefits for such service. The Deductible Amount will be applied based on when Dental Insurance claims for Covered Services are processed by Us. The Deductible Amount will be applied to Covered Services in the order that Dental Insurance claims for Covered Services are processed by Us regardless of when a Covered Service is “incurred”. When several Covered Services are incurred on the same date and Dental Insurance benefits are claimed as part of the same claim, the Deductible Amount is applied based on the Covered Percentage applicable to each Covered Service. The Deductible Amount will be applied in the order of highest Covered Percentage to lowest Covered Percentage.

Alternate Benefit

If We determine that a service, less costly than the Covered Service the Dentist performed, could have been performed to treat a dental condition, We will pay benefits based upon the less costly service if such service:

- would produce a professionally acceptable result under generally accepted dental standards; and
- would qualify as a Covered Service.

For example, when an amalgam filling and a composite filling are both professionally acceptable methods for filling a molar, We may base Our benefit determination upon the amalgam filling which is the less costly service.

If We pay benefits based upon a less costly service in accordance with this subsection, the Dentist may charge You or Your Dependent for the difference between the service that was performed and the less costly service. This is the case even if the service is performed by an In-Network Dentist.

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than $300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After We receive this information, We will provide You with an estimate of the Dental Insurance benefits available for the service. The estimate is not a guarantee of the amount We will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for Us to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.
Benefits We Will Pay After Insurance Ends

We will pay benefits for a 31 day period after Your Insurance ends if:

- the Covered Service was begun by a Dentist while You are insured for Dental Insurance; and
- the treatment requires more than one visit to complete.

DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS

INTERNAL PROCEDURES FOR CLAIM REVIEW BY METLIFE

Procedures for Presenting Claims for Dental Insurance Benefits

All claim forms needed to file for Dental Insurance benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist You or, if applicable, Your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental. The instructions on the claim form should be followed carefully. This will expedite the processing of the claim. Be sure all questions are answered fully.

Routine Questions on Dental Insurance Claims

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for Dental Insurance benefits, the claimant must complete the appropriate claim form and submit the required Proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Urgent Care Claim Submission and Appeals

A small number of claims for dental benefits may be urgent care claims. Urgent care claims for dental benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However Your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, MetLife will notify You of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If You or Your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify You within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify You of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify You or Your covered dependent of its decision within 120 hours after the claim was received.

If Your urgent care claim is denied but You receive the care, You may appeal the denial using the normal claim procedures. If Your urgent care claim is denied and You do not receive the care, You can request an expedited appeal of Your claim denial by dialing 1-800-438-6388. MetLife will provide You any necessary information to assist You in your appeal. MetLife will then notify You of its decision within 72 hours of Your request in writing. However, MetLife may notify You by phone within the time frames above and then mail You a written notice.

Initial Determination for Claims Other Than Urgent Care Claims

After You submit a claim for Dental Insurance benefits to MetLife, MetLife will review Your claim and notify You in Writing of its decision to approve or deny Your claim.
DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of MetLife. If MetLife needs such an extension, MetLife will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife’s notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from MetLife. MetLife will make a determination and provide notice to You in writing within 15 calendar days of the earlier of MetLife’s receipt of the information or the end of the 45 day period.

If MetLife denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criterion was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

The denial will also include a statement of your right to make an appeal to MetLife and a description of how to make that appeal, and the deadlines which apply.

It will also describe Your right to bring civil action to enforce Your rights under the Plan, or to petition the Secretary of the Department of Labor to bring such an action, under Section 502(a) of ERISA.

Appealing the Initial Determination - First Level of Review

If MetLife denies Your claim, You may take two appeals of the initial determination. Upon Your written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination.

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim such as diagnostic materials, x-rays, or narrative.

MetLife will acknowledge Your request for an internal appeal within 15 calendar days of receipt. This acknowledgment will if necessary, inform You of any additional information needed before a decision can be made. After MetLife receives Your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and MetLife’s review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a dental judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.
DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)

MetLife will notify You in writing of its final decision within 30 days after MetLife’s receipt of Your written request for review.

If MetLife denies the claim on appeal, MetLife will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criterion was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, MetLife will provide You free of charge with copies of documents, records and other information relevant to Your claim.

A denial of Your first request for appeal will also include a statement of your right to make a second appeal to MetLife and a description of how to make that appeal, and the deadlines which apply.

Each denial of an appeal will also describe Your right to bring civil action to enforce Your rights under the Plan, or to petition the Secretary of the Department of Labor to bring such an action, under Section 502(a) of ERISA.

Finally, each denial of an appeal will describe Your right to request an additional, external review under New York state law.

Second Level of Review

If the appeal is not resolved to Your satisfaction, You can appeal the action to second level of review for reconsideration. Decisions on Your appeal in the second level of review will be made no later than 30 days after receipt of the request for reconsideration.

After MetLife receives Your written request for a second level of review, MetLife will conduct a full and fair review of Your claim. Deference will not be given to the initial denial or the initial appeal, and MetLife's review will look at the claim anew. The review on the second appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination or on the initial appeal. The person who will review Your second appeal will not be the same person as the person who made the initial decision or the person who made the decision on the initial appeal to deny Your claim. In addition, the person who is reviewing the second appeal will not be a subordinate of the person who made the initial decision or the person who made the decision on the initial appeal to deny Your claim. If the initial denial or the denial on the initial appeal is based in whole or in part on a dental judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination or the initial appeal, and will not be a subordinate of any person who was consulted on the initial determination or the initial appeal.

If Your second level of review also denies Your claim, Your Written notice of denial will contain the same items of information that were contained in Your initial appeal notice.

Please note, by undertaking a second level review You may foreclose Your right to an external appeal as an external appeal must be filed within four months of the Final Adverse Determination of the first level review.

EXTERNAL PROCEDURES FOR CLAIM REVIEW OUTSIDE OF METLIFE

New York state law gives You the right to an external appeal when payment of benefits for dental services have been denied on the basis that the services are not Dentally Necessary or that the services are experimental or investigational. This applies both to Urgent Care Claims and non-Urgent Care Claims.

If You have received a Final Adverse Determination after Our first level of review, You can request an external appeal by completing an application form and sending it to the New York State Insurance Department within four months:

- of when You received the Final Adverse Determination; or
- of receiving written confirmation from Us that the internal appeal process has been waived.
Final Adverse Determination means a written notification from Us that Your claim for dental benefits has been denied through Our appeal process.

You may obtain an application form or any additional information by calling Us at 1-800-275-4638 or by calling the New York Insurance Department at 1-800-400-8882. You may also obtain an application or further information by visiting the New York Insurance Department's web site at www.ins.state.ny.us.

Eligibility for an External Appeal

To be eligible for an external appeal, payment of benefits for dental services must have been denied on the basis that the services are not Dentally Necessary or that the services are experimental or investigational and:

• You must have received a Final Adverse Determination as a result of Our internal utilization review appeal process; or
• You and MetLife must have agreed to waive that appeal process.

If services are denied as experimental or investigational, You must have a life-threatening or disabling condition or disease to be eligible for an external appeal and Your Dentist must complete the Attending Physician Attestation form and send the form to the New York Insurance Department. The Attending Physician Attestation form is included as part of the application form.

You may only appeal a service or procedure that is a Covered Service under this certificate. The external appeal process may not be used to expand Your dental coverage.

Submission of Information

If Your case is determined to be eligible for external review, You will be notified by the New York Insurance Department of the certified external appeal agent assigned to review Your case.

MetLife will send Your dental and treatment records to the external appeal agent.

When the external appeal agent reviews Your case, the agent may request additional information from You or Your Dentist. This information should be sent immediately to the external appeal agent.

You and Your Dentist can submit information even when the external appeal agent has not requested specific information. You must submit this information to the Insurance Department within four months:

• of when You received the Final Adverse Determination; or
• of receiving written confirmation from Us that the internal appeal process has been waived.

Once the external appeal agent makes a determination or Your four month time period ends, You will not be able to submit additional information.

The external appeal application contains a release of medical records provision that You must sign to authorize the release of medical and treatment records, including HIV, mental health and alcohol and drug abuse records to the certified external appeal agent assigned to review Your appeal.

Eligibility For an Expedited External Appeal

If Your attending Dentist attests that a delay in providing the treatment or service poses an imminent or serious threat to Your health You may request an expedited appeal. When requesting an expedited appeal, make sure You give the Attending Physician Attestation form to Your Dentist to complete. Your appeal will not be forwarded to the external appeal agent until Your Dentist sends this attestation to the Insurance Department.
**DENTAL INSURANCE: PROCEDURES FOR DENTAL CLAIMS (continued)**

**Time Periods for External Appeals**

For standard appeals, the external appeal agent must make a determination within 30 days of receiving Your request for an external review from the state. If additional information is requested, the external appeal agent has five additional business days to make a determination.

For expedited appeals, the external appeal agent must make a determination within three days of receiving Your request for an external review from the state.

**The Cost to You for an External Appeal**

We may charge You a fee of up to $25.00 for an external appeal with an annual limit on filing fees for an insured of $75.00. If We determine that the fee will pose a hardship, You will not be required to pay a fee. We may charge the Dentist a fee of up to $50.00 for an external appeal.

If the external appeal agent overturns the Final Adverse Determination, the fee will be refunded to You or to the Dentist, depending on who paid the fee.

**Notification of a Decision**

When the external appeal agent has made the decision:

- for standard appeals, You and MetLife will be notified in writing within two business days; or
- for expedited appeals, You and MetLife will be notified immediately by telephone or fax. Written notification will follow.

The decision of the external appeal agent is binding on You and MetLife.

CLAIMS INFORMATION

Dental Benefits Claims

Procedures for Presenting Claims for Dental Benefits

All claim forms needed to file for benefits under the group insurance program can be obtained from the Employer who can also answer questions about the insurance benefits and to assist you or, if applicable, your beneficiary in filing claims. Dental claim forms can also be downloaded from www.metlife.com/dental.

Routine Questions

If there is any question about a claim payment, an explanation may be requested from MetLife by dialing 1-800-438-6388.

Claim Submission

For claims for dental benefits, the claimant must complete the appropriate claim form and submit the required proof as described in the FILING A CLAIM section of the certificate.

Claim forms must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for dental benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a 30 day period from the date you submitted your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of the Plan. If MetLife needs such an extension, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.
Appealing the Initial Determination

If MetLife denies your claim, you may make two appeals of the initial determination. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife’s decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why you are appealing the initial determination

As part of each appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination or determination on the first appeal, MetLife will conduct a full and fair review of your claim. Deference will not be given to initial denials, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within 30 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 30 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

When the claim has been processed, you will be notified of the benefits paid. If any benefits have been denied, you will receive a written explanation.
**Urgent Care Claim Submission**

A small number of claims for dental benefits may be urgent care claims. Urgent care claims for dental benefits are claims for reimbursement of dental expenses for services which a dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However your dentist may also submit such a claim to MetLife by telephoning MetLife and informing MetLife that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, MetLife will notify you of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If you or your covered dependent does not provide the claims administrator with enough information to decide the claim, MetLife will notify you within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, MetLife will then notify you of the claim decision within 48 hours after MetLife received the information. If the needed information is not provided, MetLife will notify you or your covered dependent of its decision within 120 hours after the claim was received.

If your urgent care claim is denied but you receive the care, you may appeal the denial using the normal claim procedures. If your urgent care claim is denied and you do not receive the care, you can request an expedited appeal of your claim denial by phone or in writing. MetLife will provide you any necessary information to assist you in your appeal. MetLife will then notify you of its decision within 72 hours of your request in writing. However, MetLife may notify you by phone within the time frames above and then mail you a written notice.

**Discretionary Authority of Plan Administrator and Other Plan Fiduciaries**

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

**STATEMENT OF ERISA RIGHTS**

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

**Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

**Continue Group Dental Plan Insurance**

Continue dental insurance for yourself, spouse or dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your COBRA continuation coverage rights.
Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110.00 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

FUTURE OF THE PLAN

It is hoped that This Plan will be continued indefinitely, but NEW YORK UNIVERSITY reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

The Board of Directors of NEW YORK UNIVERSITY shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
