FLEXIBLE SPENDING ACCOUNT (FSA) with carryover

An FSA empowers you to set aside pre-tax money from every paycheck to help pay for qualified medical expenses. Choose a HealthEquity FSA and unlock these amazing benefits.

PUT MORE MONEY IN YOUR POCKET
Each dollar you contribute to your FSA is tax-deductible.¹ That means you could potentially save as much as 30 percent or more on qualified medical expenses.² Don’t think of it as money deducted from your paycheck—think of it as money added to your wallet.

GET YOUR MONEY RIGHT AWAY
Let’s say you plan to contribute the IRS maximum to your FSA. You’ll have access to the entire amount on the first day of the plan year. Take advantage. Spend now, contribute later.

KEEP YOUR MONEY INTO THE NEXT YEAR
Don’t worry about spending all your FSA dollars by the end of the year. Your organization lets you carryover up to $550 of unused funds into the next year.³ Stay flexible and contribute with confidence.

SPEND BEYOND THE DOCTOR’S OFFICE
You can use FSA dollars to cover a huge list of qualified medical expenses, including over-the-counter meds and menstrual care products.⁴ See a full list of eligible medical expenses at HealthEquity.com/QME

Know your options
• FSA elections can only be made during open enrollment (unless you have a qualifying life event)
• Choose the amount you want to contribute, then your employer will deduct that amount pre-tax in equal parts from each paycheck over 12 months
• Verify with your organization the exact amount you’re able to carryover
MAYBE YOU’VE HAD AN FSA BEFORE, BUT YOU’VE NEVER HAD AN FSA LIKE THIS
