NOTES: 1. Refers to the row (group) percentage that is international (e.g. percentage of total undergraduates that are international). 2. Total undergraduate population includes both full and part-time and excludes global exchange, consortium and NYU global campus students. 3. Based on distinct count of completers. 4. Total unduplicated # of completers is 16,605. 5. Defined as African American, Hispanics & Native Americans.
