

**Facility Name:** ECE Undergraduate Electronics, Circuits and Wireless Laboratories  
**Location:** SOE, 5MTC, Rooms LC016-LC020, Brooklyn, NY 11201  
**Contact:** Michael Knox  
**Website:** <http://engineering.nyu.edu/people/michael-knox>  
**Description:** Undergraduate laboratories used with lecture courses in Electronics, Circuits and Wireless. These labs enhance the lecture component with applied education.

Lab Equipment	Manufacturer	Quantity
Antenna Measurement Chamber	Satimo	1
Network Analyzer	Agilent	13
Spectrum Analyzer	Agilent	7
Signal Generators	Agilent	20
Impedance Phase Analyzer	Keysight Technologies	4
Oscilloscope	Keysight Technologies	20
Software Radio Warp Boards	The Warp Project	3
