*Cross-listed and/or offered in multiple schools

Undergraduate degree programs each have their own policies about which courses satisfy degree requirements. The inclusion of a course on this list does not mean that that course fulfills specific degree requirements. Students should check with advisors before registering for courses. Each program/department identified their own courses for this list. This list does not include special topics-related courses or directed studies, independent studies, or guided reading courses. Courses may have prerequisites and may not be open to all students.
