**Message from the Vice Chancellor**

Dear Member of the NYU Abu Dhabi Community,

Ensuring the safety and well-being of the NYU Abu Dhabi community is among our highest priorities. Only when the safety of our students, faculty, staff, and guests is ensured can academic excellence thrive and strong bonds throughout our community be forged.

NYUAD’s current home in the heart of the UAE capital is highly secure and well protected. It is made so by an experienced Public Safety team with uniformed officers in place 24/7 at all NYUAD locations. A professional security staff that coordinates closely with NYU’s Global Safety and Crisis Management team supports NYUAD’s officers.

NYU has a long and exemplary history of maintaining the highest possible standards, from its academic pursuits to the safety of its community. NYUAD is committed to upholding and building upon these standards of excellence.

Al Bloom

Vice Chancellor, NYU Abu Dhabi

**Message from the Vice President for Global Security & Crisis Management**

On behalf of the men and women of the New York University (NYU) Department of Public Safety and the NYU Abu Dhabi (NYUAD) Public Safety Department, it is my pleasure to communicate with you again this year. The NYU Department of Public Safety in partnership with the Public Safety Department at NYUAD has a clear and unambiguous mandate: to create and maintain a safe and secure environment for students, faculty, staff and visitors to the NYUAD campus and other locations controlled by NYUAD. Our success to date has been the product of an experienced management team and the hard work of a highly-trained and motivated guard force and skilled transportation unit.

The close collaboration between our two departments is designed to build on this momentum by hiring experienced security professionals, while employing best practices that are intended to meet present and future security challenges. With the goal of consistently meeting or exceeding our expectations, we will continue to invest in a sustained training program for our security and transportation staff and to utilize wherever possible the latest security technology and transportation equipment in order to enhance the effectiveness of every member of the NYUAD Public Safety Department.

Jules A. Martin, Vice President Global Security and Crisis Management New York University
Message from the Director of Public Safety/Abu Dhabi

The NYU Department of Public Safety in Abu Dhabi again this year continues to grow and build upon professional excellence, in partnership with of the New York University (NYU) Department of Public Safety. The pre-Saadiyat Island Campus sites have seen continuous operations this year and a high degree of planning and development of the integrated security design for the main Campus site on Saadiyat Island, ready for implementation in 2014. The NYU Department of Public Safety in Abu Dhabi is composed of a highly-trained security personnel team and a diverse core management team with extensive experience in the region. Members of the department's management team live in Sama Tower with students, faculty, and staff, or in the immediate area and all are just minutes away from NYUAD's Downtown Campus.

Personnel are trained over and above the required levels as prescribed by the Abu Dhabi government, and receive specialized training – including in incident response and enhanced first aid. NYU Abu Dhabi has invested in a well-designed, advanced security technology infrastructure. This includes a fully integrated security system approach which includes a video surveillance system and electronic access control within all of our facilities which supports the uniformed security personnel and operations.

With the development of the Saadiyat Island Campus coming to the fore, the size of the NYUAD community continuing to grow, so does the size and scope of operations for our public safety team. The department is fully committed to providing a safe and secure environment that emulates the philosophy and mission found at the NYU NYC campus.

Martin Barnett, Director of Public Safety
NYU Abu Dhabi

Security and Safety at NYUAD

In all matters concerning the security and safety of the NYUAD community, the NYUAD Public Safety Department works closely with their counterparts at the New York City campus of NYU. NYUAD has access to the full array of resources at the New York City campus to assist with any issues that may arise affecting security and safety.

Reporting Procedures

NYUAD students, staff and faculty are urged to promptly report all crimes and emergency situations where they may be a victim or a witness, including those that occur on campus or off campus, as well as requests for assistance to the NYUAD Public Safety Department. NYUAD makes every effort to facilitate the reporting of crimes and emergency situations. Reports can be filed with Public Safety twenty-four hours a day, seven days a week by going to the Public Safety Management Office located at the Downtown Campus, or to the Public Safety Security Control Rooms and/or Security Desks located at the Downtown Campus, Sama Tower or the Center for Science and Engineering, or by calling the Public Safety 24/7 telephone at 026287777 or 0097126287777. All faculty, students and staff are issued NYUAD contact numbers cards upon arriving to campus. These cards contain all contact information necessary to make timely security and emergency related reports and also are available from the Security Reception Desks as needed for visitors to NYUAD.

Public Safety offers support and assistance to any member of the NYUAD community who is a victim of or witness to a crime. Reporting incidents to Public Safety will aid in providing timely warning notices to the community when appropriate and will enable inclusion of reported incidents in the annual disclosure of crime statistics. Crimes also may be reported to any Campus Security Authority, who are NYUAD
Officials with significant responsibility for student and campus activities. Campus Security Authorities at NYUAD, in addition to Public Safety, presently include the Dean of Students, Assistant Dean of Residential Education and the Director of Athletics. Crimes reported to any Campus Security Authority are communicated to Public Safety. Professional mental health counselors and pastoral counselors acting in such capacity are excluded from the requirement to report crimes communicated to them to Public Safety; however, NYUAD encourages such mental health professionals, when they believe it appropriate, to inform the person being counseled of procedures to report crimes on a voluntary, confidential basis for inclusion in the crime log and when appropriate in the annual security report.

Victims of, or witnesses to, a crime who do not want to pursue action within the NYUAD system still may want to consider making a confidential report. With the permission of a victim or witness, Public Safety can file an internal report of the details of the incident without revealing the victim’s or witness’ identity in the report. The purpose of this type of report is to comply with the desire to keep the matter confidential, while taking steps to protect the future safety of the victim and others. With such information, NYUAD can keep an accurate record of the number of incidents involving students, employees and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics.

When reports are received by Public Safety, the following actions are taken:

- Victims are referred to the appropriate offices/agencies on and off campus, which may include the Dean of Students and Assistant Dean of Residential Education, and counseling and health/medical services.
- NYUAD does not have a written policy encouraging pastoral and professional mental health counselors to inform persons about reporting crimes. However, such individuals do alert students to the services provided by Public Safety, including assistance in navigating the criminal justice system if they choose to report the incident.
- Incident reports concerning students are promptly sent to the Dean of Students and/or Assistant Dean of Residential Education and/or Health and Wellness Center, as appropriate.
- Incident reports concerning staff and faculty are sent to appropriate administrative or academic departments for review and follow-up.
- In the event of the commission of a serious crime or report of a crime pattern or trend either on or off campus, such as robbery or aggravated assault, Public Safety promptly distributes electronic “Safety Alerts” to Campus Security Authorities and other administrators for posting in conspicuous locations.
- NYUAD uses the information from incident reports to improve its campus protection program to develop strategies to reduce incidents and enhance preventive measures.
- Staff from Public Safety, the Dean of Students and the Assistant Dean of Residential Education regularly meet to discuss campus safety issues and to develop related crime prevention and safety programs.

**Wellness Program and Defibrillator Locations**

NYUAD has a professionally staffed Health and Wellness Center that supports the NYUAD community providing a 24/7 point of contact for medical and wellness needs. This is further supported by a close and professional interface being maintained with a number of private hospitals and medical institutes.

All Public Safety staff are trained in basic First Aid procedures as require by the UAE Security Licensing requirements under the Private Security Business Department (PSBD) of the UAE Government. In addition, some Public Safety staff are trained and possess the UAE First Aid Certificate, which includes Defibrillator training. Defibrillators are located at the Health and Wellness Center and at each of the Security Control Rooms.
**Campus Facilities and Programs**

NYUAD has incorporated a program of integrated safety equipment and infrastructure within the facilities and strives to provide a high level of safety and security to the NYUAD community. This includes an access control system that utilizes proximity card readers, proximity card operated pedestrian turnstiles, and emergency call buttons in lobby areas and rest rooms. Additionally there is external and internal monitoring via video surveillance cameras, which terminate at a 24/7 Control Room for monitoring purposes.

All visitors to NYUAD are required to produce a form of photo identification and are issued a visitor pass. The photo ID is retained until the person signs out from the building.

NYUAD facilities are maintained in a manner that seeks to minimize hazardous conditions. NYUAD Public Safety personnel regularly patrol the campus and report any identified building infrastructure issues and unsafe physical conditions to Facilities Management staff. Facilities Management maintains a work order system where members of the university community can email problems, and the appropriate maintenance personnel are dispatched to correct the condition.

**Missing Students**

It is the policy of NYUAD, through the collaboration of the Office of Student Affairs and the Office of Public Safety, to investigate any report of a missing student who is enrolled and attending classes at NYUAD. This policy, with its accompanying procedures, establishes a framework for cooperation among members of the NYUAD community aimed at locating and assisting students who are reported missing.

A student will be deemed missing when he or she is reported absent from NYUAD without any known reason. **All reports of missing students must be directed to NYUAD’s Office of Public Safety at 026287777 or 00971126287777, which will investigate each report and make a determination whether the student is missing in accordance with this policy.**

Each student has the option to identify a confidential contact person or persons who will be notified within 24 hours in the event that a determination is made by NYUAD Public Safety that the student is missing. This contact information may be added through “Albert”, the portal to NYU’s student information system. Only authorized campus officials and law enforcement officers in furtherance of a missing person investigation may have access to this information.

If a missing student is under 18 years of age, and not an emancipated individual, NYUAD will notify a custodial parent or guardian of the missing student not later than 24 hours after the determination by NYUAD Public Safety that the student is missing.

NYUAD Public Safety will contact local police and other law enforcement agencies or other authorities deemed appropriate no later than 24 hours after it determines that any student is missing.

NYUAD student housing is configured for apartment-style living, and there is no formal procedure or prescribed timelines for monitoring whether students are present in their assigned student housing. Student welfare and safety is paramount to NYUAD; however, the NYUAD recognizes and makes known its limitations in obtaining accurate and timely information on the whereabouts of students.

The NYUAD Office of Student Affairs shall have the responsibility to make the provisions of this policy and the procedures set forth below available to students.

**Procedures**

**Any report of a missing student, from whatever source, must immediately be directed to NYUAD Public Safety.**
• When a student is reported missing NYUAD Public Safety will
  o initiate an investigation to determine the validity of the missing person report;
  o inform the NYUAD Office of Student Affairs;
  o make a determination as to the status of the missing student;
  o notify local police or other appropriate law enforcement agencies or other authorities deemed appropriate within 24 hours of making the determination that the student is missing.

• Upon determining the student is missing and upon notification by NYUAD Public Safety, the NYUAD Office of Student Affairs will:
  o notify the person(s) identified by the missing student as the confidential contact within 24 hours of making the determination that the student is missing;
  o if the missing student is under the age of 18, and not an emancipated individual, notify the student’s custodial parent or guardian as contained in the records of NYUAD within 24 hours of the determination that the student is missing;
  o inform other NYUAD units as needed; and
  o initiate whatever other action is deemed appropriate under the circumstances to be in the best interest of the missing student.

• The NYUAD Office of Student Affairs shall initiate whatever action is deemed appropriate under the circumstances to be in the best interest of the missing student.

Student Contact Information:

In addition to having the option to identify a “confidential contact person” as provided in this policy, all students will complete a Contact Information Form at NYU. It is the responsibility of the student to regularly update any changes to their contact information.

Student Notification of This Policy:

• Included on NYUAD Student Affairs and Public Safety web pages and on the NYU Policy database website.
• Included in student and parent enrollment communications.
• Discussed during beginning semester, mandatory housing meetings.
• Included in the annual NYUAD Campus Security Report.

Crime Prevention and Awareness Programs

While Abu Dhabi City is considered a very safe city, a crime prevention and awareness orientation program is available to all members of the NYUAD community. This program covers many life orientated aspects, including a presentation by Public Safety staff covering good security and safety practices concerning traveling within the UAE, transportation and road safety guidelines, procedures for reporting incidents highlighting NYUAD emergency contact numbers card, and registering with local embassies. 8 programs including student orientation programs, ongoing floor meetings, and safety workshops covering alcohol, drug abuse and sexual harassment education were offered in 2012. NYUAD also is in communication with local law enforcement and many of the foreign Embassies located in Abu Dhabi. This provides a balanced approach to crime related information, enabling appropriate communications to be given to the NYUAD community when necessary. Safety tips have been developed to assist new faculty, staff and students in gaining a quick understanding of their new environment and are part of the orientation process. The NYUAD contact telephone numbers card is available for all individuals providing emergency and other essential telephone numbers should the need arise. At the beginning of the semester, The Real AD Show is presented to incoming students about the lives of NYUAD students as they experience an array of issues, including safety awareness, and publicizes emergency response and health and wellness telephone numbers.

NYUAD maintains a daily crime log. This is maintained and kept at the Public Safety Offices situated at the Downtown Campus. The crime log contains information reported by individuals who report crime related incidents that happen at NYUAD facilities. This includes the nature of the incident, dates occurred and reported time, location and type of incident, privacy and the identities of those involved is protected.
Alcohol and Other Drug Use

Members of the NYUAD community are expected to be acquainted and comply with NYUAD policies as well as the laws of Abu Dhabi. It is against the law in Abu Dhabi for Muslims to drink alcohol. Non-Muslims may legally drink alcohol only in specified locations that have licenses, such as restaurants located within hotels, which are only allowed to serve alcohol to persons over the age of 21, or through purchase of alcohol on the basis of a liquor license, obtainable by residents of Abu Dhabi under strict conditions. Drunkenness is a serious offense in the UAE and Abu Dhabi, and there is a zero tolerance policy for driving after consuming alcohol.

The use, possession or distribution of illegal drugs is strictly prohibited. Prescription and over the counter medications that may be readily and legally available in students’ home countries may be restricted or illegal in Abu Dhabi and the UAE. Students are advised to visit the website of the U.S. Embassy in Abu Dhabi at http://abudhabi.usembassy.gov/restricted_medication.html for information about personal import of such items.

Sex Offenses on Campus

NYUAD is committed to providing a safe environment for all members of its community. Sexual assault, which includes any sexual act against the will and without the consent of the victim, is prohibited behavior at NYUAD. Information about sexual assault prevention and NYUAD response is available through the Office of the Dean of Students.

The first priority if a sexual assault occurs is to get the victim to a safe place and to contact someone whom that individual can trust as soon as possible. NYUAD encourages victims to contact the Counseling Office in the Health and Wellness Center to discuss support, options, and referral to available resources, including medical attention. Students also may consult the Wellness Exchange hotline at 02-628-5555 (or 8-5555 from campus) for guidance on medical and counseling services. Incidents of sexual assault also may be reported directly to Public Safety, which will provide support and assistance to any victim or witness. A victim of a sexual assault also has the option to report the incident to the appropriate local law enforcement authorities, and NYUAD will provide assistance to students who request help in doing so. Students will be advised of the importance of preserving physical evidence in the event they wish to pursue a criminal complaint. NYUAD will change a victim’s academic or living situation after an alleged sexual offense if requested to do so by the student and if alternative arrangements are reasonably available.

Allegations of sexual assault are subject to NYUAD disciplinary procedures. The NYUAD Student Conduct Review Process is available to the NYUAD community on the NYUAD Student Portal. In a disciplinary proceeding involving a sexual offense, the accused and the alleged victim will have the same opportunity to have others present during a disciplinary hearing, and both will be informed as to the outcome. Disciplinary sanctions for a sexual offense may include suspension or dismissal from NYUAD.

Campus Sex Crimes Prevention Act

Institutions are required by U.S. federal law to issue a statement advising their campus community where information concerning registered sex offenders may be obtained. Abu Dhabi does not maintain a sex offender registry.

Campus Safe Ride

A Campus Safe Ride facility is operated between the Downtown Campus and Sama Tower. This is a transportation service for students to utilize outside of normal transportation operation hours. The hours of operation are from 11pm to 3am. This assists students who wish to utilize NYUAD Library facilities late in the evening and during examination periods.
**Fire Safety**

NYUAD Fire Safety plan has a number of contributing departments. The Health Safety and Environment Department focuses and provides policy and procedural guidance to the institution. Facilities Department provides oversight to physical fire systems, equipment and Residential building management. The Public Safety and Student Life Departments have trained staff who act as first responders and executes the Fire Safety plan at NYUAD sites should the need arise. All of the NYUAD facilities meet and exceed the Abu Dhabi governmental fire code requirements set by Civil Defense, each building holds an up to date fire certificate, which is a mandatory requirement.

**Emergency Response and Evacuation**

NYUAD has an operational response plan in place for responding to campus emergencies. The NYUAD Incident Response Plan provides guidance for decision makers in the event of an incident that interrupts or threatens to interrupt the normal course of operation for NYUAD and members of the NYUAD community. The plan is written in accordance with standard emergency management practices. It is designed to facilitate incident response that directly impacts the immediate health and safety of those involved and restores the NYUAD to normalcy as quickly as is practical. The plan is formulated in order to meet the following response levels:

**Developing Incident/Community Alert**

Declaration of a Developing Incident/Community Alert means that an event is in progress or has the potential of significantly reducing the safety and or health of the campus. The incident has the potential to expand beyond an isolated routine incident and/or a community alert, such as an approaching storm, incidents with physical injuries, or an escalating disturbance. This incident may be an actual or potential release of hazardous material or an expanding fire not yet under control. Developing Incident is highly likely to require intervention by governmental first responders.

**Immediate Threat Incident**

Declaration of an Immediate Threat means that an event has occurred, or is occurring, which involves an actual or likely security threat or health concern, or which has resulted, or will result, in direct harm and/or damage to an individual or to the community, several campus facilities, public health and safety, and the environment. This could include a chemical spill, a fire causing damage, serious injury and/or deaths, or an event that disrupts sizable portions of campus property and/or the community or a combination of the foregoing. Declaration of an Immediate Threat most likely requires intervention of governmental first responders.

**Campus Wide Incident**

Declaration of a Campus Wide Incident means that an event has occurred, or is occurring, that involves an actual or imminent major security threat, or a failure of health and safety functions that have resulted in substantial, direct harm/damage to the community, many if not all campus facilities, the general public and the environment. For example, this could include incidents amounting to a disaster or catastrophe, a massive campus wide evacuation due to severe weather conditions, or a medical epidemic that is affecting the entire NYUAD operation and/or surrounding community. Declaration of a Campus Wide Incident most likely requires immediate intervention of governmental first responders.
NYUAD Department of Public Safety Crime Statistics Report

Crime Statistics Reporting

Crime statistical reporting information is not readily available in the UAE and as such cannot be provided concisely. While there is no formal memorandum of understanding, the Public Safety Department maintains a liaison with Abu Dhabi Police Force to enable an understanding of the current environment. Additionally, in close liaison with a number of local organizations such as the American Embassy sponsored Overseas Security Advisory Council (OSAC), frequent meetings are held to gain an interdependent understanding of security and crime related issues current within the UAE and region.

NYUAD Security Report Preparation

This report has been compiled by key departmental members from NYUAD in Abu Dhabi and New York. These include members from the Office of General Counsel and Public Safety Departments, as well Student Life, Global Education program members, Health Safety and Environmental staff, Facility Department members and others. Many of these departmental functions meet regularly to discuss matters that affect Safety and Security at NYUAD. There is continual professional interaction between Abu Dhabi and New York in the goal to provide a safe living and educational environment for all at NYUAD.

Reporting Areas:

NYUAD reports incidents for its “on-campus” and “non-campus” facilities and is also required to report crimes that occur on “public property”.

On-Campus NYUAD’s on-campus properties are the two contiguous buildings separated by a courtyard that comprise the Downtown Campus, together with the adjacent sidewalks and outdoor parking lot.

Non-Campus NYUAD’s non-campus properties include those portions of facilities controlled by NYUAD and used for NYUAD purposes, but which are not located in the immediate campus area. These facilities are Sama Tower, in which a number of floors are used by NYUAD for student housing, a fitness center for NYUAD students, faculty and staff food services; and academic and administrative offices, and the Musafah Center for Science and Engineering.

Public Property At the NYUAD downtown campus, this category includes the exterior parking facilities and sidewalks surrounding and across from the campus facility. The parking area is considered a thoroughfare route for the general public. This also encompasses a dedicated walkway to the east side of the parking area.

NYU Abu Dhabi Safety Tips

While Abu Dhabi City is considered one of the safer large cities in the world it is a good idea to take certain precautions. Violent crimes and crimes against property are rare, but they can occur. Students who are victims of crimes should immediately contact NYUAD Public Safety at 02 628 7777 (or 87777 from a campus phone). Public Safety personnel will help them contact the police and receive support services. (The number for all emergency services in the UAE is 999.)

The following safety tips are recommended to assist members of the NYUAD community in everyday life and while using university facilities in Abu Dhabi and around the world:

1. Program your mobile phones with the number for the NYUAD Office of Public Safety at 02 628 7777 (87777 from a campus phone).
2. Do not go out alone at night. Buddy up or go in small groups. There is greater safety in numbers, especially when you are getting to know a new location and its diversity of unfamiliar environments.
3. When traveling in a group, be sure everyone in the group comes back together. Don't leave anyone behind.
4. Always plan your trips with the help of an NYUAD staff member. Make sure you have transport back before you go out so that you never become stranded. Let a staff member know where you are going and when you expect to be back. Research the location of your destination and carry a map. Note street names and nearby landmarks. If you need help planning your trip or are unsure about the safety of the destination, please ask an NYUAD staff member for help.
5. Do not dress in a way that marks you as an affluent tourist. Expensive-looking jewelry, for instance, can draw the wrong attention.
6. Be aware of your surroundings. Try to minimize the use of headphones and other devices that can jeopardize your recognition of potential dangers.
7. Knapsacks and backpacks should always be tightly closed and stored on your lap or where they can be seen at all times while in restaurants or other public venues.
8. Carry a cell phone at all times and ensure that it is charged.
9. Always carry the NYUAD Contact Numbers card, your NYUAD ID card, and a photocopy of the pages of your passport that include your photo and your visa.
10. Always carry the UAE ID Card, as this is a legal requirement. Students will be issued UAE ID cards after they have obtained resident student visas.
11. Use NYUAD transportation whenever possible.
12. Travel on streets where there is pedestrian traffic. During evenings, plan a route where streets are well lit. Avoid walking through road tunnels (pedestrian underpasses) on your own at night.
13. Use silver taxis rather than yellow or white taxis whenever possible, and note the name of the taxi driver and the number of the cab that is shown on the monitor in the taxi. This will come in handy if you later discover you have left something behind in the car. All passengers traveling alone should not ride in the front seat, and are also discouraged from engaging drivers in personal conversation. And please note that taxi drivers have been known to take clearly intoxicated passengers to the police station.
14. If a taxi driver does not know the location of Sama Tower, tell the driver "It is on Electra Street by the New Medical Center (say "NMC" en, em, see)". If the driver does not know the location of the New York University Downtown Campus, tell the driver "It is at the Old Fish Market on Al Nasr Street."
15. If you cannot find a taxi in Abu Dhabi, call 600 53 53 53, which is a taxi dispatch service. Describe as best you can where you are located. Give landmarks and cross streets as part of the description if possible. You will be charged an additional 5 AED on top of your fare for calling for a taxi.
16. If you get stranded and cannot reach a taxi dispatch service, call NYUAD Public Safety at 02 628 7777 (24 hours a day, seven days a week).
17. If you find yourself in any situation in which you feel uncomfortable or afraid for your safety, immediately call NYUAD Public Safety at 02 628 7777 for advice and assistance.
18. Never accept a ride on your own from someone you have just met or do not know well, no matter how helpful or friendly that person may seem. Politely but firmly decline all such invitations.
19. Never accept a ride in a vehicle driven by someone who has been drinking alcohol. Politely but firmly decline all such invitations.
20. Lock your apartment at all times.
21. Never admit anyone that you do not know well to Sama Tower or your room.
22. We recommend that you politely decline invitations from residents in Sama Tower who are not NYUAD students, faculty, or staff, until you have gotten to know them well in more public settings. Those residents are also not permitted to be on any NYUAD student floors.
23. Avoid counting money on the street after obtaining funds from an ATM, and don't carry large amounts of cash.
24. Do not leave laptop computers or other valuable items unattended in cafes or other public areas.
25. Never leave what you are drinking or eating unattended in public places.
26. All valuable items should be safely secured at home, including valuable or expensive-looking jewelry, irreplaceable family objects, and all unnecessary credit cards.
27. Avoid photographing Muslim women, and do not photograph airports, docks, telecommunications equipment, government buildings, or military and industrial installations. In general, ask permission before photographing people.
28. Keep in mind that your behavior here may send messages you do not intend to send. A few reminders to help manage this: If you are wearing a skirt, be sure it falls below the knee. Cover your shoulders. Avoid sleeveless and low cut dresses or tops.
**Crime Definitions**

Since the Clery Act is a United States federal law, the U.S. Federal Bureau of Investigation Uniform Crime Reporting/National Incident-Based Reporting System Crime Definitions are utilized. The following definitions are used for reporting the crimes listed in 34 CFR sec. 668.46 (previously 668.47) in accordance with the Federal Bureau of Investigation’s Uniform Crime Reporting Program. The definitions for murder, robbery, aggravated assault, burglary, motor vehicle theft, weapon law violations, drug abuse violations and liquor law violations are excerpted from the Uniform Crime Reporting Handbook. The definitions of forcible and non-forcible sex offenses are excerpted from the National Incident-Based Reporting System Edition of the Uniform Crime Reporting Handbook.

**Arson** Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

**Criminal Homicide-Manslaughter by Negligence**

The killing of another person through gross negligence.

**Criminal Homicide-Murder and Nonnegligent Manslaughter**

The willful (non-negligent) killing of one human being by another.

**Robbery**

The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Aggravated Assault**

An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. (It is not necessary that injury result from an aggravated assault when a gun, knife, or other weapon is used which could and probably would result in serious personal injury if the crime were successfully completed). This category also includes cases when the offender is aware that he or she is infected with a deadly disease and deliberately attempts to infect another with that disease by biting, spitting, or some other method.

**Burglary**

The unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes: unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts to commit any of the aforementioned.

**Motor Vehicle Theft**

The theft or attempted theft of a motor vehicle. (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access even though the vehicles are later abandoned including joyriding).

**Weapon Law Violations**

The violation of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of deadly weapons; carrying deadly weapons, concealed or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; and all attempts to commit any of the aforementioned.

**Drug Abuse Violations**

Violations of State and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadones) and dangerous nonnarcotic drugs (barbituates, benzedrine).
