

## SPRING 2019 FINAL EXAM SCHEDULE

New York University schedules final examinations in two ways, by Subject Group and by Class Meeting Time. By consulting the appropriate listing, you will be able to verify the final exam time for each class. If your class is listed in the group final exam schedule, that group exam date and time takes precedence over the Class Meeting Time Schedule. If your course is not scheduled for a group exam and the class meeting time is not listed in the grid, the instructor for that course should contact the Office of the Registrar to coordinate a final exam time.

The location of the final exam is typically the same as the class's regular meeting location, although this is not guaranteed. For the most up-to-date final exam time and location, please check the class exam information in Albert.

If you have any questions regarding the final exam schedule, contact Classroom Scheduling in the Office of the Registrar at 212-998-4220 or [classroom.scheduling@nyu.edu](mailto:classroom.scheduling@nyu.edu), or visit the Office of the Registrar homepage at: <http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation.html>.
