

Service Indicators can be positive or negative. Not all negative service indicators prevent enrollment activities.

When you see this  symbol on the top of a page click on it to view more detail on the service indicator

Please refer to Page 4 for the listing of Service Indicators that Block All Enrollment Activity. These are the only Negative Service Indicators that will stop a student from completing enrollment.

This student has multiple service indicators. Click on the “code” to view details about this service indicator.

Each service indicator will be listed separately on the Manage Service Indicators page.

Click on each “code” link to view and read the details of each specific service indicator. Some indicators can have a negative effect but not prevent enrollment activity from taking place.

View the services impacted area on the bottom of the page to understand what services are impacted.
