Letter from the Director of Dining

Welcome to NYU Dining! NYU Dining Services offers a wide variety of meal plans that afford students the opportunity to enjoy nutritious dining options across campus. Diners will continue to enjoy expanded hours to accommodate their hectic schedules.

We have responded to the ideas and comments set forth by NYU students. NYU Dining has updated menus to reflect the most current university dining trends and added services that reflect the needs of a diverse community. We will continue to offer a “meals to go” program and different special events such as Sunday Brunch at Palladium, Restaurant Nights and Meatless Mondays—just to name a few.

HOW MEAL PLANS WORK

VALUE

VARIETY

CONVENIENCE

MEAL ALLOWANCE

Each time you visit one of our residential dining halls or use a meal exchange at one of our retail locations, a meal will be deducted from your account. Meal Plans offer a certain number of meals per semester. Meals do not expire on a week to week basis. However, any unused meals remaining at the end of the semester will not carry over to the following semester.

DINING DOLLARS

Washington Square & Brooklyn Dining Dollars can be used at all on-campus dining locations and have a dollar for dollar value. The NYUCard works just like a debit card. Simply swipe your card and the amount is automatically deducted from your account.

Dining Dollars cannot be used for the purchase of gift cards. Members may purchase additional Dining Dollars in blocks of $15, $25, $50 or $100 by logging on to https://housing.nyu.edu/MealPlans any time after the meal plan activation/deactivation deadline. Dining Dollars will be charged to your student bursar account. Unused Dining Dollars automatically roll over from the fall to spring semester for active meal plan members.

MEAL EXCHANGES

Meal exchange allows you to use your meal swipes at retail dining locations. At the Weinstein Food Court, Sidestein Market, Peet’s Coffee & Tea, U Hall Common’s Café, the Market Place at the Kimmel Center, Palladium, Dunkin’ Donuts, and Jasper Café there are certain items that you may choose from which constitute a “meal”.

What is included in a Meal Exchange?

› Entrée or Sandwich
› Choice of Whole Fruit, Side Salad, Bag of Chips, or Side Dish
› Fountain Drink

SPECIAL ACCOMMODATIONS

If you have a medical condition or disability that warrants an exception to the meal plan policy, you must submit a request for a reasonable housing accommodation with supporting documentation to the Moses Center for Students with Disabilities. For forms and additional information go to www.nyu.edu/csd or contact the Moses Center at (212)998-4980 or mosescsd@nyu.edu.

1. How does the meal plan work? Meal Plans and Dining Dollars
Eating on-campus is easy with an NYU Dining Meal Plan. We have 16 dining locations across campus that conveniently offers a variety of foods and delicious dining options. With a meal plan, you've got food covered, so it’s one less thing you have to worry about. Once you have a meal plan, your student ID works like a debit card. Simply swipe your card and the meal, meal exchange or dining dollars are deducted from your account automatically.

There are three components to our meal plans: Meal Allowance, Meal Exchange, and Dining Dollars.

Meal Allowance: Meal Allowance is the number of meals that can be used in all-you-care-to-eat dining locations: Weinstein, 3rd North, Kosher Eatery, and Lipton Hall (formerly Hayden Hall). The cashier will deduct one meal from your plan upon entering these locations. Once inside, you are free to eat as much as you would like. The meal allowance expires over from fall to spring semester but any unused Dining Dollars carry over from fall to spring semester but any unused meals expire at the end of the semester.

Meal Exchange: This feature allows you to exchange one meal allowance swipe for a combo meal at our retail food courts, including the Kimmel Marketplace, Weinstein Food Court, U-Hall Commons Café, Dunkin’ Donuts, Peet’s Coffee and Tea, and Jasper Kane Café.

Dining Dollars: Dining Dollars (DDs) are accepted at all dining locations. DDs work like a debit card; each time you make a purchase the total is subtracted from the balance in your account. Each DD is equivalent to one U.S. Dollar. DDs are accepted at all NYU Dining locations.

2. Am I required to have a Meal Plan? New York University requires all Freshmen or first-year students living in NYU housing to participate in the NYU Dining meal plan. All Freshmen living in traditional style residence halls (Founders, Brittany, Goddard, Lipton (formerly Hayden), Rubin and Westnorth) must maintain a minimum of a 225 Flex plan or higher. Freshmen or first-year students living in apartment style residence buildings must maintain a minimum of a 113 Flex meal plan or higher. Please note all incoming Freshmen are defaulted to Flex meal plan or higher. Please note that there are exceptions to the mandatory meal plan policy, you must submit a special accommodation form with supporting documentation to the Moses Center for Students with Disabilities. For forms and additional information go to www.nyu.edu/csdl/.

3. How am I charged for my Meal Plan? When a student signs up or changes a meal plan membership after the beginning of a semester, the plan and charges are pro-rated for the remainder of that semester. Charges and refunds for all meal plans (flex plans and Dining Dollars included) are calculated on a daily basis. Charges begin on the activation date, not when the students begin using their plan. The fall semester is 15 weeks and charges begin on September 6, 2016. The spring semester is 15 weeks begins on January 23, 2017.

For example: If a student purchases a 300 Flex plan that begins the second week of the fall semester, he/she receives 14/15 of the plan, or 280 meals and 140 Dining Dollars (DD). The student is charged 14/15 or 93% of the original cost of the plan. 300 meals/ 15 weeks = 20 meals per week 20 meals per week X 14 weeks= 280 meals
