COVID-19 Partner Resource Center

Dear Partners,

We are pleased to share that USAID's COVID-19 Partner Resource Center has launched a new email address to help streamline and simplify your access to USAID. The new email address is COVID19_PartnerResourceCenter@usaid.gov.

This email address can be used for all non-award specific inquiries, such as monitoring and evaluation, security, programming, general award inquiries etc. As a reminder, all award specific inquiries should be directly sent to your Contracting and Agreement Officer (C/AO) and/or your Contracting and Agreement Officer Representative (C/AOR).

We will respond to as many questions as we are able to directly. We will continue to share responses via our weekly FAQ document, which can be found on our [COVID-19 Implementing Partners page](#) and distribute them through our [Acquisition and Assistance \(A&A\) updates email distribution list](#).

For additional information on USAID's response efforts to COVID-19 as well as resources for partners, please find the following information:

- [USAID's COVID-19 Response](#)
- [COVID-19 Unsolicited Proposal/Application Progress](#)
- [COVID-19 Partner Resources Page](#)
- [LearningLab COVID-19 Monitoring, Evaluation, and Learning Page](#)
- [USAID's Business Forecast](#)
- [New Partnerships Initiative](#)
- [Doing Business with USAID](#)

Please note that general inquiries related to doing business with USAID can still be directed to IndustryLiaison@usaid.gov.
