To: OSP.AGENCY@nyu.edu

You are likely aware that new regulations governing grant awards under 2 C.F.R. 200 (Uniform Guidance) were announced in December 2013. This email is to serve as a reminder that the Uniform Guidance requirements will take effect for recipients of Federal funds for awards made on or after December 26, 2014. The new regulations do not impact any Department of Education awards you received prior to this date..

The Uniform Guidance combines and codifies the requirements of eight Office of Management and Budget (OMB) Circulars: A-89, A-102 (former 34 CFR part 80), A-110 (former 34 CFR part 74), A-21, A-87, A-122, A-133, A-50. For the Department of Education this means that the requirements at EDGAR Parts 74 and 80 have also been subsumed under the Uniform Guidance.

The final rule implementing the Uniform Guidance was published in the Federal Register on December 19, 2014, and becomes effective for new and continuation awards issued on or after December 26, 2014

The interim final rule can be reviewed at the following web site http://www.ofr.gov/OFRUpload/OFRData/2014-28697_PI.pdf. You can also find the codified portions of the document on the electronic code of Federal Regulations site (www.ecfr.gov) however; the regulations will not be available there until December 24, 2014.

Technical assistance documents and other materials related to the Uniform Guidance (including frequently-asked questions and webinar recordings) are available at The Chief Financial Officers Council web site: <https://cfo.gov/cofar>. OMB will be issuing comprehensive training materials for grantees as will the Department.

Please feel free to call your Project Officer or Department counterpart if you have questions or need more information.

We look forward to working with you during this transition.
