Instructions for completing Student Immunization History forms:

- Submit original form ONLY. We cannot accept a fax or photocopy.
- Do not staple.
- Use pencil or pen (black or blue ink) only.
- Fill in all circles and boxes completely (including name and N#).

Correct Mark: 🔺

Incorrect Mark: ✗ ☯ ☀ ☐ Do not draw a line through response.

- Use Month/Day/Year format for all dates (MM/DD/YYYY). If exact day is not known, use the first day of the month (i.e. 05/01/2007).
- Use correction fluid to correct any errors. Do not cross out errors with an X.
- Return completed form in the enclosed return envelope.

Please return your completed Student Immunization History forms in the enclosed envelope before the deadline. This deadline is critical in allowing us time to process the information in preparation for your arrival to NYU.

PLEASE NOTE: We will be unable to process forms with incorrect markings or missing information. We also advise that you keep a copy of your completed immunization form and bring it with you to campus in the event there has been a problem with the receipt of your information.
