# Getting Care

*Get care when you are abroad: find providers and schedule appointments*

## 1. Find a provider outside the U.S. and UAE

Outside the U.S. and outside the UAE you have access to care through the GeoBlue provider network. To find a contracted doctor or facility, visit the “Provider Finder” section in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com) or in the app. For optimal service, request Direct Pay at least 48 hours prior to your appointment to avoid paying out-of-pocket for medical care and submitting claims.\*

Outside of the U.S. and outside of the UAE you are free to see any provider you choose without a reduction of benefits. If you see a non-contracted provider, you may have to pay out of pocket for treatment and submit a claim.

## 2. Schedule an appointment outside the U.S. and UAE

To schedule an appointment, choose a participating provider or hospital through the Member Hub or app. Contact them directly using the information in their profile. After you make your appointment, contact us to provide the doctor’s office with the information required to arrange Direct Pay. For optimal service, request Direct Pay at least 48 hours prior to your appointment. This is necessary when scheduling follow-up appointments as well. In many countries providers require payment at the time of the visit unless Direct Pay has been arranged.

### Contact us to arrange for Direct Pay:

- Use [www.geobluestudents.com](http://www.geobluestudents.com) or the GeoBlue app
- Email [globalhealth@geo-blue.com](mailto:globalhealth@geo-blue.com)
- Call collect on +1.610.254.8771
- Call toll free inside the U.S. on 1.800.257.4823

## 3. Request Direct Pay outside the U.S. and UAE

To avoid paying up front for medical care and submitting a claim, arrange for Direct Pay:\*

- Use [www.geobluestudents.com](http://www.geobluestudents.com) or the GeoBlue app to find a provider, view a profile and complete a request form
- Email [globalhealth@geo-blue.com](mailto:globalhealth@geo-blue.com) the name of your provider, the reason for your appointment and the date and time of your scheduled visit
- Call collect on +1.610.254.8771

*For optimal service, request Direct Pay at least 48 hours prior to your appointment.*

## Find a provider inside the UAE

To find a provider inside the UAE, visit the “Find Doctors and Hospitals Inside the UAE” section in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com) and follow the instructions provided.

When seeking care inside the UAE or if you have questions, refer to your OIC ID card and membership pack.

### In the event of a medical emergency outside the UAE

You should go immediately to the nearest physician or hospital and then call the Medical Assistance phone number for 24/7 care located on the back of your ID card. We will then take the appropriate action to assist and monitor your medical care until the situation is resolved.

\*Members are required to pay any applicable copayments, coinsurance or deductibles at the time of service.

GeoBlue is the trade name of Worldwide Insurance Services, LLC (Worldwide Services Insurance Agency, LLC in California and New York), an independent licensee of the Blue Cross and Blue Shield Association: made available in cooperation with Empire BlueCross BlueShield. # Getting Care

Get care when you are abroad: prescriptions, assistance and other services

## Prescription benefits outside the U.S. and UAE

Your prescription medications are covered at 100%.\* Simply pay out of pocket and submit a claim for reimbursement. Submit claims electronically using the GeoBlue app or the "File an eClaim" link on the Member Hub. If you prefer to submit a paper claim form, click "How to File a Claim" in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com) to download the appropriate claim form.

## Service requests

If you need assistance with any non-urgent medical issue, you can submit a service request directly to our Global Health and Safety team. Common service requests include help managing prescriptions and finding specialists overseas.

To place a service request, visit the "Service Requests" section in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com).

## Assistance with appointment scheduling

While it's often easier to set up your own appointments, we can help when you are unsure about where to seek care. You may have a new diagnosis, be in a remote area with limited options, in need of translation, or struggling to adapt to your new surroundings.

To request help scheduling a convenient, cashless office visit with one of GeoBlue's trusted English-speaking doctors. Contact us 24/7: +1.610.254.8771.

## Political and natural disaster services

Your plan includes political and natural disaster evacuation services. If you experience a political event or a natural disaster, please contact us immediately:

- Call collect on +1.610.254.8771
- Call toll free inside the U.S. on 1.800.257.4823
- Email [globalhealth@geo-blue.com](mailto:globalhealth@geo-blue.com)

*The Political, Military and Natural Disaster Evacuation Services (PEND) are provided through Drum Cussac Group Ltd. (Drum), an independent third party, non-affiliated service provider based in the UK. Drum does not supply Blue Cross or Blue Shield products or other benefits, and is therefore solely responsible for and accepts all liability for PEND and other collateral services it provides. GeoBlue makes no warranty, express or implied, and accepts no responsibility resulting from the provision or use of Drum PEND or other Drum services.*

*\*Certain limitations and exclusions apply to your coverage under this plan and may affect your coverage. Your Certificate of Insurance is on file with your school and in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com).*

# Getting Care

Get care when you are in the U.S.

## Student health center

Many schools have student health centers on campus that can conveniently provide everyday health services. Consult your school's resources for more specific information about facilities, the care available and the coverage accepted.

## Finding a provider

If you need care outside of what is available from your institution, you also have access to the Blue Cross and Blue Shield network within the U.S., Puerto Rico, and U.S. Virgin Islands. To find a doctor or facility, visit the "Provider Finder" section in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com) or in the app.

### Contact us for assistance:

- Toll free within the U.S. call 1.844.268.2686
- Outside the U.S. call +1.610.263.2847
- [customerservice@geo-blue.com](mailto:customerservice@geo-blue.com)

## Scheduling an appointment with a Blue Cross and Blue Shield provider

Call the provider to confirm they are in network and schedule your appointment. At the time of service, you will need to show the provider your GeoBlue ID card and tell them you are covered by Blue Cross and Blue Shield.

## Using an out-of-network provider

This typically results in a higher coinsurance and may result in additional costs to you. If you receive care from an out-of-network provider, you may need to pay out of pocket and submit a claim for reimbursement. Click "How to File a Claim" in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com) to download the appropriate claim form. Submit claims electronically using the GeoBlue app or the "File an eClaim" link on the Member Hub.

## Prescription benefits

Present your ID card at any participating pharmacy and you will be charged in accordance with your plan benefits.\*

## Pre-authorization inside the U.S.

Your plan requires that certain services be pre-authorized before you receive them. Pre-authorization involves reviewing the medical necessity of certain procedures and can help determine the most appropriate setting for certain services and whether a different, equally effective treatment is available. Innovations in health care enable doctors to provide services, once provided exclusively in an inpatient setting, in many different settings, such as an outpatient department of a hospital or a doctor's office.

When you seek treatment, if your provider doesn't initiate preauthorization, you are responsible for initiating the pre-authorization process to determine whether the services are medically necessary. For more information regarding pre-authorization please see the Certification Requirements and Pre-Authorization section in your Certificate. To request pre-authorization, contact us: 1.800.952.3404.

## Paying for care - Glossary of terms

In the U.S., your health plan typically pays your medical bills for you with the following exceptions:

- **Copay or Copayment:** The specific dollar amount you will pay at the time of service.
- **Coinsurance:** The percentage of the cost you are responsible for.
- **Deductible:** An amount you are responsible to pay for eligible expenses before the plan begins to pay.
- **Out-of-Network Provider:** Medical provider who is not contracted with Blue Cross and Blue Shield companies. This typically results in a higher coinsurance and may result in additional costs to you.

See your Certificate of Coverage for details.

## In the event of a medical emergency

If you have an emergency, dial 911 or go to the closest Emergency Room immediately. If you're not sure whether your situation is an emergency, dial 911 and let the call-taker determine if you need emergency help. Once you are safe, call the Medical Assistance phone number for 24/7 care located on the back of your ID card. We will then take the appropriate action to assist and monitor your medical care until the situation is resolved.

\*Certain limitations and exclusions apply to your coverage under this plan and may affect your coverage. Your Certificate of Insurance is on file with your school and in the Member Hub on [www.geobluestudents.com](http://www.geobluestudents.com).
