BRING THIS FORM TO YOUR MEDICAL PROVIDER.

PLEASE NOTE YOU MUST SHOW YOU HAVE ONE OF THE FOLLOWING:

1. (2) MMR Vaccines (The first vaccination cannot be more than 4 days before your first birthday.)
2. Evidence of immunity by history of disease for measles or mumps only and proof of immunity by vaccination or blood test to rubella
3. Serological evidence for measles, mumps, and rubella (blood test proving immunity) – copy of lab report required.

If you are an undergraduate student 22 years of age or older, graduate student, or McGhee student, the Meningococcal Vaccine is optional. To opt out, you must complete this form.
