NYU Connect for Students: Navigating My Resources

**Services**

1. When you log in, you will see your Success Network. You can also get to it from the NYU Connect main menu and go to your “Success Network”

2. Browse the menu or use the search function to find the services available to you. These services are based on your home school and/or global location.

3. Click on the ellipsis of the service you’re interested in to learn more about how to contact them.
Have a question but don’t know who to ask or how to ask? Select the NYU Connect main menu and click “Connect Me.” Once on the page, select “Connect Me” again.

The “Connect Me” form will appear. Select the type of question you want to ask.

Fill in the details of what you’re looking for and select “Submit.” Someone will be in touch shortly!
Select the NYU Connect main menu and click “Courses.”

You can view your Albert midterm/final grades on the “Courses” page. If your professor is using NYU Classes, you can see your NYU Classes Assignments, due dates, and grades.

You can also ask for help in this course by clicking the life preserver icon. This will enable you to submit a “Connect Me” request for this class.
