

Do You Have a Child with Special Needs?

Bright Horizons Back-Up Care

The next time the sitter or caregiver cancels, you won't have to stress. Rely on *Bright Horizons Back-Up Care*™ whenever regular care falls through.

If you have a child with special needs, you can use a known caregiver for back-up care and be reimbursed towards the cost of care – This is called Out-of-Network Care and counts as using one of your 10 available Back-Up Care days per year.
