Dear New Student of NYU,

New York University recognizes the positive contributions that fraternities and sororities make to the University community. The fraternity and sorority community at New York University seeks to provide opportunities for students to serve the community, cultivate leadership skills, engage in campus life, encourage academic excellence, and support a diverse community. We believe all of these endeavors enhance the collegiate experience of undergraduates while also contributing positively to the New York University community as a whole. We strive to recognize organizations that live up to our standards of excellence.

We have come to learn that some formerly recognized chapters have continued to operate without University recognition, oversight, or approval and are considered unrecognized chapters. That means the organizations were removed for violating policy of recruitment and other behavior that potentially placed students at harms way, and are not sanctioned to be operating at NYU. Unrecognized chapters are not permitted to use New York University's name or image, reserve University spaces, secure University group housing, or represent themselves as an official part of the University community. This situation concerns us because we do not have confidence that unrecognized chapters operate with the same diligence to promote student growth and development; provide proactive and preventative measures to foster wellness and safety; nor abide by University guidelines with regard to recruitment, new member education, academic support, and other areas vital to the successful management of a chapter. Additionally, unrecognized chapters operate in the absence of reasonable and prudent oversight by the Fraternity and Sorority Life (FSL) professional staff and therefore lack resources and support provided to other student organizations. Unrecognized chapters have been removed with just reason and after extensive investigation conducted by both the University offices and the respective groups National offices.
