

# HOW TO USE RTI VT-3100 3/4" U-MATIC CLEANING MACHINE

Try the following:

1. Press **EJECT** and try again
2. Refer to p. J-5 in manual or evaluation information in manual appendix.
3. Contact RTI (800.323.7520/847.677.3000 Service-Global@rtico.com)

## POSSIBLE ERROR MESSAGES

<b>"bind"</b>	Tape may be faulty, "binding" or not resting properly in machine
<b>"Er-Pro"</b>	Tape is erase protected, <b>ERASE</b> function will not operate
<b>"tissue"</b>	Cleaning tissue absent or threaded improperly
<b>"run"</b>	<b>PRINT</b> button has been pressed before tape completed cycle

Check for erase tab then try again.

Check that tissue is properly installed

Wait until cycle finishes, then press **PRINT** again.

Clean tape transport path before cleaning next tape.
