- <pbcoreDescription>
  <description>This documentary explores youth culture and break-dancing in a
  poor neighborhood of Santiago. Teenage boys discuss style, music, politics,
  and artistic influences. They explain that break-dancing takes their minds off
  their problems. Filmed in their homes and on the streets, the boys discuss how
  television, US music, and their peer groups have influenced the
  fad.</description>
  <descriptionType>Abstract</descriptionType>
  <description>Este documental explora la cultura joven y el break-dance en un
  barrio pobre de Santiago. Adolescentes discuten el estilo, música, política y
  sus influencias artísticas. Explican que el break-dance saca los problemas de
```

sus cabezas. Filmado en sus hogares y en las calles, los chicos discuten cómo la television, la música estadounidense y sus grupos pares han influenciado su moda.
